Summer is a great time to slow down and do something for yourself. CSM offers all kinds of ways to do that. The farmer's market is overflowing with fresh local produce. Speaking of overflowing, the pool is a great place to put the kids in swim lessons or in the Bulldog swim team. For more intellectual pursuits, take some art classes, see a planetarium show, or maybe finish off some summer credits before returning to college in the fall. Here are a few ways you can enjoy CSM this summer.

1. **Shop the CSM Farmers' Market**
2. **See the Stars**
3. **Take an Art Class**
4. **Take a Swim**
5. **Spruce Yourself Up**
6. **For students: Get some college courses out of the way**

---

1. Shop the CSM Farmers' Market
Summer is salad season! CSM plays host to a farmer's market that has earned a reputation as one of the best on the Peninsula. Every Saturday, rain or shine, the farmers' market is up and running from 9:00 a.m. until 1:00 p.m. You can find the market at Galileo Lot 6,

Schedule of Classes ~ Summer 2020 ~ Semester begins June 15

One Hundred Years in 2022: Planning for CSM's Centennial

In March 1922, San Mateo and Burlingame voters passed a measure to start a junior college in their fast-growing community. Nearby Stanford University and the University of California Berkeley were drawing many local students, but not everyone could get in or afford to go. The solution was to create a college in town that was accessible to all.

Five students enrolled in the new college as soon as it was established. The new San Mateo Junior College opened its doors for the first time on August 28, 1922, using classrooms in San Mateo High School. Enrollment grew quickly, and the school kept changing locations to keep up. After several moves around San Mateo, the College opened its spectacular College Heights campus in 1963.

Since then, CSM has produced thousands of Bay Area teachers, engineers, firefighters, police officers, nurses, coaches, artists, and scientists. There have been governors, rock stars, Super Bowl-winners, and TV and publishing celebrities. The College continues to provide an outstanding education at low cost.

San Mateo Junior College's entire student body sat for a photograph on the steps of the Kohl mansion in 1924.

The College will celebrate its centennial in 2022–23 with a major community outreach initiative as well as commemorative videos, website, and special events. This will likely include a gala celebration as well as a large-scale community "birthday party." San Mateo County leaders from business, education, government, and nonprofits have already established a planning committee to help ensure the entire community gets to participate.

Interested in CSM's history? There is a vast digital archive of historic photos from College of San Mateo, Cañada College, Skyline College, and the San Mateo County Community College District. See smccd.edu/photoarchives. And stay tuned for a new Centennial website in 2021.

Center for Equity, Leadership & Community Provides New Hub for Student Programs

CSM students have a bright and stylish new hub designed to help them succeed in college. The Center for Equity, Leadership & Community Building 17 opened in March as the new home of the Promise Scholars Program, Student Life & Leadership, SparkPoint, The Honors Project, and many of CSM's signature Learning Communities.

Part social club, part class cohort, the Learning Communities connect students with other like-minded students to hang out with and support each other. Many are the first in their family to go to college, so this can be a big part of success. Mana is made up of Tongan and Pacific Islander students, Umoja is the CSM chapter of an African American student program, and Puente supports LatinX students. The Honors Project provides support for students interested in high academic achievement and transferring to universities, while Project Change helps students who were formerly incarcerated.

The SparkPoint Center offers financial coaching, helps access public benefit programs, and provides free groceries to students or community members who are having trouble making ends meet. It's an important program designed to help the community and keep students in school by relieving some of the stress from financial or other hardships.

The new Center has lots of social space for students who want to gather for meetings, study groups, or fun. There are study rooms, conference spaces, a big central lounge, and even a beautiful outdoor courtyard. Come check it out!

at the north end of the campus (which also has one of the best views in the Bay Area). Shopping at farmers' markets helps the local economy and ensures you are getting the freshest produce possible.

2. See Stars (and more!) at the Planetarium
This summer, there are planetarium shows on June 12 and July 10. The shows take place at 7:30 p.m. and 8:30 p.m., both hosted by CSM's own Professors of Math and Science Darryl Stanford and Mohsen Janatpour. The planetarium is located on the northeast side of the campus, overlooking the San Francisco Bay. Enjoy the show!

3. Take an Art Class
This summer, CSM is offering introductory drawing, painting, and digital photography classes. Students don't need to have any prior experience to take these classes. Drawing I is a gateway class for most of the other studio art classes at CSM and is part of both our AA-T and AA Studio Art majors.

4. Take a Swim at the San Mateo Athletic Club
With a membership at the San Mateo Athletic Club, you can enjoy the outdoor pools all summer long! Members have two pristine lap pools to choose from. CSM's Olympic Pool is 50 meters and is kept between 78–80 degrees with a 20-lane short course on weekdays and an 8-lane long course on weekends. The Instructional Pool is 25 yards and is kept between 86–88 degrees, with six lanes, and is available every day for lap swimming, water walking, water aerobics, children's swim lessons and CSM's Pre-Swim Team program.

5. Spruce Yourself Up
CSM's Cosmetology Department offers haircuts for only $10! They also provide facials ($20), scalp treatment (scientific brushing & scalp massage with essential oils for $20), conditioning treatments, hair color & bleaching ($25 and up), bleach & toner highlights ($30 and up), facial waxing ($17.50 full face), makeup ($10), and many other treatments! Clients can walk in, but appointments are preferable. Call Rafael Delgado at (650) 574-6361 to schedule an appointment (available Wednesdays and Thursdays with limited summer hours).

6. Students: Earn Some College Credits
Do you have a college student who will be home for the summer? CSM offers plenty of courses that satisfy general education requirements at the University of California and California State University. Think about the advantages (and peace of mind) that come with doing an English, math, art, history, or business class in the summer. And at $46 per credit, CSM courses are a bargain compared to anywhere else! Check out hundreds of courses listed in this guide.

Have a healthy, happy, and fulfilling summer!

President's Welcome

As we wrap up the 98th year at College of San Mateo and look forward to summer, it's a good time to reflect on the College's legacy and its future. In this schedule of summer classes, we have included stories to help put this in perspective.

One story is about CSM's upcoming centennial in 2022. It's an opportunity to celebrate our history, re-engage with our community, and think about the role of College in San Mateo in the County over the next 100 years. How can we improve access to higher education for our community members? What new challenges will students face in the coming years? And how can we work with employers to ensure we anticipate trends and continue to prepare students for stable and satisfying careers? The centennial will be an important opportunity to rethink and reshape College of San Mateo with the future in mind.

Another story is about the vibrant new hub of student support programs, the Center for Equity, Leadership & Community. This is a place for students to hold meetings, study in groups, access free groceries and financial advice, and talk to counselors from the Promise Scholars Program. It's also a lively social place for students in our Learning Communities to gather with groups of friends and like-minded students for social and academic support. Over the past century, community colleges have expanded far beyond traditional classroom education into supporting all of a student's needs: social, financial, emotional support, and overall wellness.

We are proud of CSM's impact and the way we have reshaped what it means to support students. Thank you for your support of our community college.

Have a great summer!

Kim Lopez, Acting CSM President

About College of San Mateo

College of San Mateo is located at the northern corridor of Silicon Valley and situated on a beautiful 153-acre site in the San Mateo hills that provides a panoramic view of San Francisco Bay. Since 1922, CSM has been a gateway to higher education leading to university transfer, career preparation and advancement, and professional and personal development.

The College currently serves approximately 10,000 day, evening and weekend students per semester. CSM students reflect the diversity of the Bay Area and have a range of educational goals. To best serve our students, the curriculum offers a wealth of programs that include traditional, semester-length and short courses in addition to distance education.

Students can experience a vibrant campus life to complement classroom learning that includes leadership development, student government, student clubs, and educational and cultural activities. CSM is proud of its championship intercollegiate athletic teams which compete at the highest community college level. Many student-athletes receive scholarships and continue to four-year institutions and numerous CSM athletes have gone on to professional careers.

To ensure student success, CSM offers a comprehensive selection of academic support services. Resources include financial aid and scholarships, counseling, transfer services, tutoring, employment assistance, health services and child care, among many others.

For more information about the college, visit collegeofsanmateo.edu/explorecsm. Guided campus tours can be scheduled through collegeofsanmateo.edu/tours.

Bookstore
Books and supplies may be purchased at the College of San Mateo Bookstore (College Center, Building 10, Second Floor, 574-6367). To purchase and find information regarding course textbooks and business hours, go to collegeofsanmateo.edu/bookstore.

College of San Mateo is accredited by the Accrediting Commission for Community and Junior Colleges of the Western Association of Schools and Colleges, (10 Commercial Boulevard, Suite 204, Novato, CA 94949, 415-506-0234), an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

College of San Mateo is committed to equal opportunity regardless of age, gender, marital status, disability, race, color, sexual orientation, religion, national origin or other similar factors, for admission to the College, enrollment in classes, student services, financial aid and employment in accordance with the provisions of Title VI of the 1964 Civil Rights Act, Title IX of the Educational Amendments of 1972 (45CRF 86), Section 504, Rehabilitation Act of 1973 (P.L. 93-112), and the Americans With Disabilities Act of 1990.

Who May Attend CSM

Any person who is a high school graduate, or who has passed the California High School Proficiency Examination or the General Education Development Examination (GED), or who is 18 years of age or older is eligible to attend this public community college. See How to Apply and Enroll on page 4.

High school students may be admitted for concurrent enrollment with the permission of the dean of enrollment services. See College Connection Concurrent Enrollment Program on this page for details.

Open Enrollment
Every course offered at College of San Mateo (unless specifically exempted by legal statute) is open for enrollment and participation by any person who has been admitted to the College and who meets the prerequisites of the course provided that space is available.

Residency
Students who have been California residents (as defined in the Education Code) for more than one year prior to the beginning of any semester are eligible to enroll as residents for that semester. Nonresident students are those U.S. citizens who have not been residents of California (as defined in the Education Code) continuously for one year prior to the start of the semester. They are required to pay a tuition fee of $273 (plus $46 Enrollment Fee) per unit at the time of registration, in addition to other required fees paid by California residents. Nonresident students possessing "T" or "U" visas are exempted from paying the nonresident tuition rate. Students may be required to present documentary evidence of eligibility for classification as residents. See page 10 for Fees.

Students need not be U.S. citizens to be classified as residents. Permanent resident aliens and many other citizens of other countries are eligible to establish California residency.

International Students
Residents of other countries may apply for admission as F-1 Visa students through the International Education Program (IEP). Special international student applications, related forms and additional information may be obtained from the Center for Global Engagement Office (Building 10, Third Floor, Room 310). For office hours and more information, call +1 (650) 574-6525 or go to collegeofsanmateo.edu/international.

To be eligible for priority admission for the semesters listed below, special applications should be filed in the IEP Office by these dates:

Fall Semester - Classes begin in August
New Student Applications: July 15
Transfer Student Applications (with Active I-20): August 20

Spring Semester - Classes begin in January
New Student Applications: November 15
Transfer Student Applications (with Active I-20): January 2

AB 540 Students
Under Assembly Bill 540 (AB540), you may be exempt from paying non resident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying nonresident tuition. If you are qualified, please complete the AB540 form and submit it by fax (650) 574-6506, by mail, or in person to the CSM Admissions and Records Office located in College Center Building 10, Third Floor, Room 360. You may obtain the AB540 form from the CSM website at collegeofsanmateo.edu/forms, or from the Admissions and Records Office.

Getting Started at CSM

Application Process for NEW and FORMER Students
All students who have not attended any of the last three semesters, including summer session, must submit an Application for Admission for the proceeding term. Submit an Application for Admission at collegeofsanmateo.edu/apply. After being admitted, and completing matriculation requirements, if applicable, new and former students may register and pay fees using WebSMART. See Summer 2020 Important Dates on page 2.

Priority Enrollment Program (PEP)
For graduating high school seniors and other first-time college students
In the spring semester, College of San Mateo offers a special enrollment program that provides priority access to matriculation services and enrollment for students who plan to enter the College in the fall semester. More information about PEP can be found at collegeofsanmateo.edu/pep.

Continuing Students Registration Priority
Continuing students maintain their registration priority by having a current Student Educational Plan (SEP), completing the matriculation process, maintaining good academic standing, and having earned less than 100 degree-applicable units within the district.

Students who attended the Summer 2019, Fall 2019, or Spring 2020 semesters are considered continuing students. Students will be sent a WebSMART registration appointment email which includes their registration appointment date. Continuing students may register at collegeofsanmateo.edu/websmart on or after their appointment date. **All students who have an outstanding balance from any prior semester will not be able to register for classes until all fees are paid.**

College Connection Concurrent Enrollment Program
The College Connection Concurrent Enrollment Program is a special program designed to provide current 9th–12th graders the opportunity to get an "early start" on their college experience and earn college credit. Enrollment fees are free to California residents who enroll in up to 11 units.

Step 1: Apply for admission online at collegeofsanmateo.edu/apply.

Step 2: Meet with your high school counselor to review and select your college courses.

Step 3: If you plan to register for English or math courses or a course that has an English or math prerequisite, complete the English and Math assessment at CSM. More information can be found at collegeofsanmateo.edu/assessment.

Step 4: Submit your Course Request Form via WebSMART.

Step 5: Register for classes at collegeofsanmateo.edu/websmart.

Step 6: Sign in and use your assigned my.smccd.edu email.

For more information, visit collegeofsanmateo.edu/ce.

Transfer Students
Students who have completed lower division coursework at other colleges and universities and wish to apply that credit to the completion of a College of San Mateo certificate, associate degree, or to a California State University General Education (CSUGE) Certification, or to an Intersegmental General Education Transfer Curriculum (IGETC) Certification should have their transcripts officially evaluated after applying for admission at collegeofsanmateo.edu/apply and being registered in 6 units. For more information, review the Transcript Evaluation Service information at smccd.edu/transeval.

Dismissed Students
Students on dismissal status within the San Mateo County Community College District must go through a process to request reinstatement and permission to enroll in classes. The first step of this process at College of San Mateo is to attend an OnTRAC Reinstatement Workshop. To sign up for a workshop, schedule online (WebSMART - "schedule appointments") or go to the Counseling Office in Building 10, Third Floor, Room 340. After attending the workshop, the student must meet with a counselor to create or update a Student Educational Plan (SEP) in order to be considered for reinstatement.

Students who were dismissed and who have NOT been in attendance at College of San Mateo, Cañada, or Skyline College since Spring 2019 must complete an Application for Admission prior to attending an OnTRAC Workshop.

International Education Program

College of San Mateo welcomes international students, who enrich the academic, cultural, and social life of the campus by bringing a diversity of ideas and global perspectives to the classroom and the CSM community. The International Education Program supports our international students and provides opportunities beyond the classroom for all students to engage in events and experiences that involve the global community in which we live.

College of San Mateo's International Education Program provides extensive support services for international students including an efficient admissions process, assistance with financial aid, a welcoming on-campus orientation, and ongoing counseling and advising throughout the students' enrollment at the college. Dedicated, student-centered professors, small-sized classes, and state-of-the-art facilities create a robust instructional environment in which students grow intellectually and prepare for transfer to a four-year institution or for further training in a career. For information, visit collegeofsanmateo.edu/international or contact (650) 574-6525.

Distance Education

College of San Mateo is committed to meeting the evolving needs and expectations of its students and community through the expansion of alternative means of delivering instructional and student support services including financial aid.

Distance education courses consist of online and hybrid courses. Online courses are conducted through a class website, and some courses may require an on-campus orientation meeting and proctored exams. Hybrid courses are conducted mostly online but do have of face-to-face instructional hours with online work. Most CSM distance education courses are applicable toward associate degree credit, and many satisfy transfer course requirements.

Distance Education courses may not be right for all students. They give students greater freedom of scheduling, but they also require more self-discipline than on-campus courses. How well distance education courses fit into a student's educational and career goals depends on many factors. It is important for first-time distance education students to review the information available on the Distance Education website at collegeofsanmateo.edu/distanceeducation. For those students who are able to create the right environment, have the right study habits, and understand the technical and academic requirements, CSM's Distance Education courses can be as effective as on-campus courses in terms of student learning.

The Instructional Technologist and Distance Education Coordinator are available to assist students and answer questions in order to ensure College of San Mateo students have a successful distance learning experience. For more information, please visit the Distance Education website at collegeofsanmateo.edu/distanceeducation or call (650) 574-6271.

Summer 2020 Registration Dates & Times

Continuing Students: April 24
New & Former Students: April 25

How to add classes after the semester has started

To add a class, attend the first class meeting to obtain the instructor's approval.

If space is available, the instructor will give you a five-digit authorization code to enter when you register. You must complete the registration process through WebSMART no later than Friday, June 19.

For important information regarding deadlines for eligibility for credit or refund of fees please visit: collegeofsanmateo.edu/fees/credit.asp.

Online classes – You can find online instructor contact information by selecting the course title link within WebSCHEDULE (collegeofsanmateo.edu/webschedule).

How to Apply and Enroll

1. Apply for Admission & Identify an Educational Goal
2. Complete College Orientation
3. Complete Assessment
4. Meet with a College Counselor & Get an Educational Plan
5. Register for Classes & Pay Fees
6. Sign In and Use Your Assigned my.smccd.edu Email

COMPLETE STEPS 1–6 IF YOUR EDUCATIONAL GOAL IS TO obtain an associate degree or certificate or transfer to a university; or if you are undecided and considering one of the aforementioned goals; or if you wish to use Counseling Services; or if you plan to apply for financial aid; or if you are a veteran and plan on collecting veteran's educational benefits.

COMPLETE STEPS 1, 5, and 6 IF YOUR GOAL IS TO take courses for personal enrichment; upgrade or maintain job skills; participate in the College Connection Concurrent Enrollment Program; or if you are primarily a student at another college or university and taking courses at CSM to meet the requirements of your home institution; or if you do not intend to use counseling services. If you wish to use counseling services you must also complete Steps 2 and 3.

Step 1: Apply for Admission and Identify an Educational Goal

All students are required to complete the Application for Admission. Fill out the application online at collegeofsanmateo.edu/apply.

After the application has been received, you will be sent a student identification number (which begins with a "G"). Use this number to conduct all college business and access college services.

The CSM Welcome Center is designed to support students through the enrollment steps. Please contact the Welcome Center if you have any questions or need assistance completing the steps. Welcome Center: Building 10, Room 370, (650) 574-6175.

Step 2: Complete College Orientation

Students can complete the college orientation by attending an in-person Welcome Orientation and Assessment workshop (which covers both enrollment steps 2 and 3). Students can sign up for the workshop by contacting the Welcome Center or through their WebSMART account. The college orientation is also available online through WebSMART.

Step 3: Complete Assessment

In order to register for math, English or ESL courses, all students must complete Math and English or ESL Assessment.

For Math and English Assessment:
Option 1: Welcome Orientation and Assessment Workshop
Option 2: English and Math Assessment Form

For ESL Assessment:
Computerized testing for English as a Second Language (ESL) To schedule an assessment appointment, log into your student WebSMART account. The user ID is your G number and the password is your 6-digit birth date. Click on "Student Records and Student Appointments."

- You must present a photo ID
- There is no fee for testing
- Assessment services is located in College Center Building 10, Third Floor, Room 370

For students who have completed an English or math course:
If you have already successfully completed English and/or math courses at another college or university within the United States and are planning to enroll in an English or math course or a course that has an English or math prerequisite, then your previous coursework must be approved. Visit collegeofsanmateo.edu/prerequisites for more information on how to complete the Prerequisite Equivalency form.

Step 4: Meet with a College Counselor and Get Your First Semester Educational Plan

Meet with a college counselor to review your educational interests and goals. The counselor will create with you a one- or two-semester abbreviated Student Educational Plan (SEP) to help you get started for your first semester. Please return within your first semester to complete a comprehensive SEP, which will let you know all courses that are needed to meet your goal. To make an appointment to meet with a counselor, please call Counseling Services at (650) 574-5400 or visit College Center Building 10, Room 340.

Step 5: Register for Classes and Pay Fees

- Register for classes
- Pay for all enrollment fees
- Print a schedule summary of this transaction
- You can also order textbooks online in WebSMART under registration

Step 6: Sign In and Use Your Assigned my.smccd.edu Email

All college electronic communications will be sent to your my.smccd.edu email address. You can expect to receive important email messages from your professors and the college before the first day of school. Log into your WebSMART student account to find your email address and password and check it regularly.

Financial Aid

Students applying for Financial Aid must complete enrollment steps as noted above. All students who have completed coursework at other colleges/universities must have their transcripts officially evaluated within the first semester of enrollment. To request an official evaluation have all of your transcripts sent to College of San Mateo Admissions and Records Office and request an evaluation on WebSMART. Sign on WebSMART, click on Student Services, find Request a Transcript Evaluation.

Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs:

California College Promise Grant (CCPG)
(formally known as the Board of Governors Fee Waiver)
The California College Promise Grant is for students who are residents of the State of California, attend a community college, and are eligible for need-based financial aid. The CCPG pays enrollment fees only for the academic year when eligibility has been determined. Other fees, such as parking, health, student body and student representation, must be paid by the student (see Fees page 10).

Federal Pell Grant
You are automatically considered for a Federal Pell Grant when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of $5,518 or less on the Student Aid Report (SAR), you are eligible for a Federal Pell award. Less than half-time students have a much lower EFC cut-off to be eligible for a grant. Awards for students are prorated based on enrollment status: full-time 12 or more units; three-quarter time 9–11.5 units; half-time 6–8.5 units; less than half .5–5.5 units. Awards range from: $652 – $6,195.

Cal Grant A, B and C Deadline to Apply is March 2 or September 2
Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only. Maximum awards are: Cal Grant B $1,672; Cal Grant C $1,094.

Federal Supplemental Educational Opportunity Grant (FSEOG)
FSEOG is a grant awarded to students with exceptional need (EFC of 0 through 1,000). Awards range from: $100–$800. Priority application date: March 2. Visit www.icanaffordcollege.com

California Chafee Grant (CHAFEE)
The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16th and 18th birthdays, and to not have reached the age of 22 by July 1 of the award year. Maximum annual award: $5,000.

Extended Opportunity Programs and Services (EOPS)
EOPS is a state-funded program that provides book vouchers, grants, support services, and limited transportation services to high-need, educationally disadvantaged students who are California residents. Students must complete the FAFSA and/or a CCPG application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS and CARE is determined and coordinated through the EOPS Office.

Student Employment Federal Work Study (FWS)
Students who apply for financial aid and complete the Student Information Sheet and the FAFSA by March 2 are given priority. Maximum Annual Award: up to $10,047. Priority application date: March 2.

California DREAM Act
The DREAM Act was passed into law in 2011 and allows AB 540 students to apply for and receive several types of financial aid, including California College Promise Grant Fee Waiver, Cal Grants and Chafee Grants, EOPS, CARE or CalWorks and Scholarships.

Loans and Scholarships
Loans are funds that students borrow now and repay after they complete a program of study or stop going to school. Scholarships are awarded for a variety of criteria. Visit collegeofsanmateo.edu/finaid or call the Financial Aid and Scholarship Office at 574-6146 for more information.

6. Funds Are Paid

Step 1: Apply

For 2019–20, file a 19–20 FAFSA at www.fafsa.ed.gov. College of San Mateo's college code is 001181. FILE EARLY for the upcoming year (anytime after October 1). Log in to WebSMART for dates and sign-up.

Step 2: Processing of Application

Please allow 1–2 weeks for your application to be processed and sent to the college. After you receive your Student Aid Report (SAR), check it for accuracy.

Step 3: Submit Documents

Check WebSMART to see what documents are required. Submit these documents to College of San Mateo's Financial Aid Office.

Step 4: File Review

Files are reviewed in order of date received. During the process, additional documents may be requested.

Step 5: Notification of Result

Eligible students will be notified by email to their "my.smccd.edu" account. Check WebSMART to view the types and amount of financial aid awarded.

Step 6: Aid Funds are Paid!

Funds will be electronically deposited into your bank account. Prepaid cards are also available.

Educational Goals at CSM

View the College Catalog and the College website, collegeofsanmateo.edu, for more information about goals and opportunities at College of San Mateo.

University Transfer Program
Complete your freshman and sophomore years of university work at College of San Mateo and transfer as a junior to a baccalaureate level college or university. College of San Mateo can help you plan an educational program to prepare you to transfer to the University of California, California State University or private college or university to earn a bachelor's degree. Assistance from Counseling Services and Transfer Services can ensure a smooth transition to the transfer institution of your choice. With planning, it is possible to concurrently complete an associate degree as you complete coursework to facilitate university transfer. In many cases, students planning to transfer may want to pursue an Associate Degree for Transfer (AA-T/AS-T). See information below.

Associate Degrees for Transfer (AA-T/AS-T)
Benefit Students Intending to Transfer to CSU
California community colleges offer associate degrees designed to support transfer to the California State University system. Students who complete an AA-T or AS-T secure priority admission to the California State University system. A list of associate degrees for transfer (AA-T/AS-T) is located within the "Degrees and Certificates Offered at CSM" section below and on the Transfer Services website. For more information about SB 1440 and advantages to completing an AA-T or AS-T go to www.sb1440.org or www.adegreewithaguarantee.com.

Associate in Arts and Associate in Science Degree Programs
At College of San Mateo you can select from 65 associate degree majors, or choose to complete multiple degrees to enhance career and job opportunities or for personal enrichment. Graduation from College of San Mateo with the associate in arts or science degree is based upon the completion of 60 units of lower-division college-level work, which includes major, basic competency, and general education requirements. For a complete list of associate degree majors and courses required to satisfy each major refer to collegeofsanmateo.edu/catalog.

Certificate Programs
You can earn a certificate in achievement or a certificate of specialization in over 67 areas. Certificate programs are designed to prepare you for employment. All certificate programs are carefully developed by advisory committees composed of college staff and selected representatives from the business and industrial communities. Typically certificates can be completed in one semester or over several semesters. Certificates are awarded upon successful completion of requirements listed in the CSM Catalog at collegeofsanmateo.edu/catalog.

Bachelor Degree to Associate Degree
Students who have already been awarded a bachelor's degree from a regionally accredited college or university in the United States and wish to pursue an associate's degree at College of San Mateo may be exempt from College of San Mateo local associate degree requirements if the lower division degree-applicable coursework completed for the bachelor's degree includes current Title 5 minimum associate degree requirements. (Title 5, 55063) This policy does not apply to Associate Degrees for Transfer (AA/AS-Ts). Students must still complete a minimum of 12 units in residence to establish residency at College of San Mateo and must complete at least 50% or 12 units, whichever is less, of coursework applied to the associate degree major in residence at College of San Mateo. The units applied to meet residency requirements may also be the units that are needed to meet the major requirements. For more information refer to the college catalog at collegeofsanmateo.edu/catalog or use Counseling Services.

Monitor Your Progress toward University Transfer, AA-T/AS-Ts, Associate Degrees, and Certificates
Within your student WebSMART under the Student Services tab, find DegreeWorks. DegreeWorks is a tool to monitor progress toward your educational goals. DegreeWorks looks at the program requirements found in the College of San Mateo, Cañada College, and Skyline College catalogs and the coursework you have completed to produce an easy to read degree audit. Also in DegreeWorks you can work with a counselor to develop a comprehensive student educational plan (SEP) that maps out, semester by semester, courses needed to meet your educational goals. Students with SEPs have a higher registration priority than students who do not have SEPs.

Multiple Educational Goals
At College of San Mateo you are free to pursue your educational interests for personal and career growth and development. This may mean that you want to complete certificates, associate degrees, and transfer. You are not limited to selecting one educational goal.*
**Students participating in the CSM Financial Aid program are required to declare one primary educational goal.*

Updating Job Skills
You may find classes and programs that appeal to you for updating your job skills or advancement in your career.

Program Planning and Enrollment Management
Students enrolling at College of San Mateo should plan a program of study that will meet their educational and career goals. All students who complete matriculation steps have access to counseling services and should consult with a counselor early in the educational process for academic planning assistance. Students often have multiple goals and plan to complete a college certificate, an associate degree, and/or transfer to a university to complete a baccalaureate degree.

If in the course of enrollment at College of San Mateo, students find it advisable to change their program of study or educational goal, they may do so. These changes should be discussed with a counselor and students should be aware that any changes may result in extending the time necessary to fulfill the certificate or degree or transfer requirements. Ultimately, students maintain full responsibility for planning their educational programs and for their enrollment management.

Students are responsible for maintaining current and accurate information in their WebSMART accounts, checking student email, updating educational goal information, managing registration and enrollment, retrieving grades and English and math assessment results, and monitoring academic standing.

Associate Degree for Transfer (AA-T/AS-T)

These unique associate degrees allow students to prepare for transfer and complete an associated degree that guarantees admission with junior standing to the California State University system. Though not a guarantee to all California State University campuses and all majors, it does secure priority admission consideration.

"Obtaining an Associate Degree for Transfer at College of San Mateo gives students a significant advantage in the transfer process!"

—Mike Mitchell, Transfer Services Coordinator

Fees

Class registration will not be allowed if there is any outstanding balance due and students will be dropped from classes for non-payment of fees. Upon registering for classes, all payment deadline information will be sent immediately to the student's my.smccd.edu email account. For more important information, visit collegeofsanmateo.edu/fees.

Student enrollment fees are set by California's legislature and governor and are subject to change at any time. It is possible that your fees may be adjusted at a future date. Unpaid bills may be sent to collections.

Students who are classified as California residents as defined in the California Education Code will be charged an enrollment fee, a health services fee and a student representation fee. An optional student body fee will also be assessed. In accordance with California law, the enrollment fees may be waived for California residents who demonstrate financial need and qualify for a California College Promise Grant (CCPG). Contact the College Financial Aid Office for additional information.

Students who are classified as nonresidents will be charged a tuition fee in addition to the enrollment fee, health services fee and student representation fee. International Students (F-1 Visa) are subject to a health insurance requirement and are charged tuition and capital outlay fees in addition to enrollment fees. Contact the International Education Program for details.

The student representation fee was established by student election to support student advocacy before local, state and federal offices and agencies.

In addition, students will be required to purchase textbooks and miscellaneous supplies, as well as tools and technical supplies for certain programs. In some courses students will also be required to pay a non-refundable instructional materials charge.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

If you need assistance in paying your fees, you are encouraged to:

- Enroll in an inexpensive payment plan via WebSMART
- Apply for financial aid (www.fafsa.gov) at least five business days prior to registering for your classes
- Complete the California College Promise Grant (CCPG) Fee Waiver via WebSMART

If you still need financial assistance after exhausting all options listed above, please contact the Vice President of Student Services at csmvpss@smccd.edu.

AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying nonresident tuition. Students who have attended a California high school for three years and received a California high school diploma or its equivalent, such as a GED or passed the high school proficiency exam, are exempt from paying nonresident tuition. See page 4 for more information.

Credit and Refund Policy

Enrollment Fee, Nonresident Tuition Fee, Health Services Fee and Parking Fee

Students who officially withdraw from all courses, or reduce their program prior to the first class meeting or by the course deadline date will receive credit toward future fees for the full amount of all fees paid for those classes. To view deadline date, check course in WebSMART. A $10 processing fee (plus an additional $50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. For all courses dropped after the deadline, these fees are not refundable unless an action of the College (e.g. class cancellation) prevents a student from attending class. Parking permit fees are not refundable.

Student Body Fee and Student Representation Fee

Students enrolling during the normal registration period in semester-long classes may request a waiver or a refund of the Student Body Fee and/or the Student Representation Fee through the last day to drop semester-long classes (see Important Dates on page 2). Students enrolling after the end of this deadline may request a waiver or a refund of these fees within one (1) week of completing registration. Students enrolled only in short courses have until the first class session to request a waiver or refund of these fees. Students requesting a waiver or a refund of the Student Body Fee and/or the Student Representation Fee must do so in-person at the Center for Student Life and Leadership Development in Building 17, Room 112.

Variable Unit Courses

No enrollment fee or nonresident tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

Important:

1. Credit balances remain on student accounts for a maximum of five (5) years.
2. A student may either choose to maintain a credit balance on account or contact the Cashier's Office (Building 10, Room 360, 574-6412) to arrange for a refund.
3. Refunds are NOT issued automatically and are subject to a $10 processing fee if the student withdraws from all classes. Refunds of nonresident tuition are subject to an additional $50 processing fee.
4. Fees paid by personal check require 30 days for bank clearance before refunds can be processed.
5. To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline. To view deadline date, check course in WebSMART. A withdrawal initiated by an instructor may NOT result in a credit or refund.
6. Fees will be credited or refunded without a processing charge if an action of the College (e.g. class cancellation) prevents a student from attending.

Parking Regulations

Parking Permit Requirements

All persons driving motor vehicles (except motorcycles) on to campus and utilizing the parking facilities during regular class hours (Monday-Friday, 7 am–10 pm), including final examinations, are required to obtain and display a parking permit on their vehicle. A parking permit is not required for students riding motorcycles and parking must be in designated Motorcycle Parking in Marie Curie Lot 5. Student parking permits are available for $58 each for the fall and spring semesters (Fall/Spring Permit $106) and $27 for the summer session. Parking permits for students with California College Promise Grant (CCPG) waivers are $30 per semester (fall or spring) and $25 for the summer session.

Lost or Stolen Parking Permits

If a permit is lost or stolen, replacements are available at full price.

Purchasing Parking Permits

Students may purchase parking permits only online using WebSMART. Permits may be ordered and paid for online and mailed to the student's residence. Students may also order a permit online from computers located on the third floor of Building 10 (Admissions and Records Office and Cashier's Office) and then pay for the permit and pick it up in the Cashier's counter. Temporary parking permits are available online after purchasing a permit. Please follow online instructions on how to obtain your temporary parking permit while awaiting delivery of permit in the mail. Parking permit fees are nonrefundable unless an action of the College (i.e. cancellation of all of the student's classes) prevents the student from attending. Lost or stolen parking permits are nonrefundable.

Displaying Student Parking Permits

Permits must be displayed in the vehicle with the number visible from the exterior of the vehicle. They may be either affixed on the inside lower left of the windshield (above the steering wheel) or affixed to a plastic hanger suspended from the inside rear view mirror. Plastic permit hangers may be obtained from the Bookstore for $1 plus tax. Permits may be used on multiple vehicles.

Vehicles with improperly displayed permits will be subject to citation. It is the permit holder's responsibility to properly display the permit in the vehicle and to notify CSM's Department of Public Safety promptly if the permit is lost or stolen.

Daily parking permits are available for purchase for $3 each from permit dispensers in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B, and Stadium Lot 11. Daily permits are valid in all lots where, and when, students are authorized to park. These permits must be displayed face-up on the dashboard.

Semester parking permits and daily parking permits are valid on all three campuses of the District (College of San Mateo, Skyline College and Cañada College).

A grace period allowing for the purchase of permits will be in effect during the first two weeks of the spring and fall semesters and the first week of the summer session in **student lots only**. **Citations will be issued beginning on Monday, June 22, 2020 for students parking without a valid permit.** All staff parking lots are strictly enforced. The grace period pertains only to student permits with all other parking regulations enforced at all times in all parking lots and roadways.

Disabled Parking

Blue Handicapped parking spaces have been provided in Lots 2, 3, 4, 5, 6, 8, 11 and 12 (see Campus Map). A vehicle must have and display a valid California State Disabled Person Placard (issued by DMV) to park. Disability parking spaces are regulated under California Vehicle Code Section 22511.5 Disabled Parking Authorized Parking Zones. No student, staff, daily, patron or visitor parking permit required when displaying a valid CA DP placard.

Visitor Parking

Visitors to campus may park free for the first 40 minutes in visitor parking areas in Marie Curie Lot 5, Forum Lot 8, and Olympian Lot 12. Visitors must purchase a daily permit ($3 per day) for time beyond 40 minutes at the permit machines located in the lots. These permits must be displayed face-up on the dashboard. No student parking is allowed in visitor lots.

Visitors may also park in a student lot after purchasing and displaying a $3 daily permit. Parking permit machines are located in Hillsdale Lot 1B, Beethoven Lots 2A and 2E and Stadium Lot 11. For the location of the parking lots please see a campus map. No visitor parking permit required when displaying a valid CA DP placard.

San Mateo Athletic Club Parking

Special parking permits issued by the San Mateo Athletic Club (SMAC) are required at all times for parking in designated areas in Beethoven lot 2 (SMAC Patron parking has a 3 hour limit). All other permits are not valid. For more information, call 378-7373 or visit smccd.edu/sanmateoathleticclub.

Electric Vehicle Charging Stations

Parking in the EV charging stations is limited solely to electric vehicles that are actively charging with a maximum time limit of 4 hours per vehicle. (No parking permit is needed as long as the above conditions are met.)

Any vehicle parked in an EV space and is not an electric vehicle, not charging, or is left past the 4-hour maximum limit will be subject to a citation. Fees are assessed for vehicles plugged-in over four (4) hours. Visit smccd.edu/sustainability/electricvehiclecharging.php.

Traffic and Parking Regulations

The speed limit on the campus is 15 mph.

Parking is permitted only on blacktop surfaces in specifically marked parking spaces. Parking on unpaved areas, in roadways, in crosshatched areas, in marked end zones, in areas posted as no parking zones or in any unauthorized area is prohibited. Vehicles backed into diagonal parking spaces can create a hazard when exiting and will be subject to citation.

No student parking is permitted in the designated "Employee of the Month" parking spaces. These spots are reserved for authorized staff only and unauthorized vehicles may be ticketed.

Driving or parking within the inner campus is prohibited.

The campus is open daily from 7 am to 10 pm.

Stopped or standing vehicles on sidewalks, roadways or restricted areas will be subject to citation.

Skateboards and Bicycles

The riding of skateboards on campus is prohibited by SMCCCD regulations. Bicycles may be operated on campus. The California Vehicle Code prohibits the operation of bicycles on sidewalks.

Public Transit

SamTrans operates three bus routes to the college: Route 250 (San Mateo downtown and Caltrain), Route 260 (San Carlos Caltrain, Redwood Shores & Belmont) and Route 294 (Half Moon Bay). All buses have wheelchair lifts and accommodate two to four bikes. Route 250 provides weekday service until 10:25 p.m. Routing information is available by calling 1-800-660-4BUS or visiting samtrans.com and caltrain.com. Printed schedules and maps are also available at the Center for Student Life and Leadership Development in Building 17, Room 112.
