

College of San Mateo
Extended Opportunity Programs and Services
EOPS Preview Day

What is it?

EOPS Preview Day is an opportunity for you to become a college student for a day.

How?

You will be paired up with a current EOPS student at College of San Mateo and “shadow” that student for two hours. During these two hours, you will go to class with your EOPS Mentor and see what college is really like!

Why?

Why participate? There is no better way for you to know what CSM classes will be like than experiencing them for yourself. You will be sitting in CSM classes, walking around the campus as well as have the opportunity to ask questions and converse with your EOPS college Mentor.

More?

In addition to the “shadowing” experience, you will:

- ◆ receive an orientation to CSM, EOPS, and the Priority Enrollment Program
- ◆ Meet other San Mateo Unified School District students
- ◆ Have breakfast and lunch courtesy of EOPS!

When?

EOPS Preview Day is scheduled in the Spring semester.

Who can participate?

You must be a high school senior to participate. Space is limited so let your high school counselor know you are interested in participating as soon as possible.
