

Josh Waitzkin comes to CSM!

Subject of the Movie
Searching for Bobby Fischer
and Tai Chi Chuan World Champion

Josh Waitzkin took up chess at the age of six and won his first National Championship at age nine. After dominating the U.S. scholastic chess world for the next ten years, Waitzkin took his ambitions beyond the sixty-four squares; he became a master of Tai Chi Chuan, eventually earning the title of World Champion. In his new book, ***The Art of Learning - A Journey in the Pursuit of Excellence***, Waitzkin looks back at his accomplishments, revealing how he managed to become an iconic figure in two very different fields of competition – one for the mind and one for the body.
