# CELEBRATING Jazz On The Hill Returns to CSM in 2013!

Headline performance by Eddie Palmieri at Jazz On The Hill 2002

On Saturday, June 1, 2013, College of San Mateo's Jazz On The Hill, presented by KCSM, returns as the signature event to celebrate the 50<sup>th</sup> anniversary of the College Heights campus. Music enthusiasts of all genres and generations will be treated to a day of exceptional live jazz at an outdoor stage with spectacular views of the Bay and peninsula. The musical lineup will feature diverse jazz performances ranging from blues to salsa to hip hop—a truly eclectic mix of music to appeal to a variety of interests.

In addition to great jazz, this family-friendly anniversary celebration will include an open house for members of the community to tour the newly renovated campus. Community and youth groups and vendors will be on hand to sell a variety of food and beverages and arts and crafts. As a gift to the community, admission is free.

# Student Success Story: Chennie Castañon

#### **B. S. degree, U.C. Berkeley Conservation Resource Studies**

While she was growing up, Chennie Castañon never considered going to college. Her family moved frequently; it was a lifestyle that created challenges for Chennie's education. As a high school student, she attended no less than eight schools. Unable to settle into one school for any length of time, Chennie lost academic credits and was forced to repeat courses. Discouraged by her teachers and principals, Chennie decided to quit school when she was 17. In spite of her haphazard education, Chennie passed the GED to receive her high school proficiency certificate. Suddenly on her own, this resilient young woman spent the next ten years working to support herself and discovering what kind of a career she wanted to pursue.

For four years, Chennie worked for an airline as a flight attendant, an opportunity that allowed her to travel the world. Her next career was in retail, a field in which she was successful and she enjoyed. With an eye toward climbing the corporate ladder, Chennie found she was passed over for promotions because she lacked a college degree. "That was a tough realization but it helped me decide that I needed to go to college."

At the age of twenty-seven, Chennie resolved to give college a try—but not without anxiety, "I worried that I was too old and wouldn't fit in; I expected to fail." She started small by enrolling in two classes at CSM: English and pre-algebra. "My math instructor, Professor Cheryl Gregory was a wonderful teacher—very patient, especially considering the wide range of ages in the class. Because of her incredible teaching style, I would rearrange my schedule to be in her class—from prealgebra all the way to applied calculus." In her first semester, Chennie earned A's which helped build her

confidence; each subsequent semester she increased her load until she eventually quit working to become a full-time student. "I made the decision to invest time and money in my education so that I would have future job prospects available to me." I began to feel comfortable at CSM, even though I was older than most students."

# CSM Summer Bridge Academy: The Best Path to Success

During summer 2012, 23 new college freshmen participated in College of San Mateo's Summer Bridge Academy, a two-week program designed to improve student preparation and ease the transition of the college experience.

- raising champion English bulldogs donated 'Ravel' to attend football games.
- 5. 97% of CSM students surveyed in 2012 responded that they would recommend CSM to a family or friend.
- 6. In 2011, over 30,825 individuals attended events at the CSM Theatre.
- 7. In the past 90 years, CSM has educated more than 600,000 students.
- 8. Tom Martinez (CSM football, basketball and softball coach) was the winningest coach in California Community College history.
- 9. Super Bowl-winning coaches and broadcasters Bill Walsh of the San Francisco Forty Niners and John Madden of the Oakland Raiders were Bulldogs and played on the College of San Mateo gridiron during the 1950s.
- 10. Between Fall 2006 and Summer 2011 (15 terms) CSM students earned 4,233 degrees and certificates.

CSM's Summer Bridge Academy is a collaborative effort by the college's Learning Center and Counseling Services. Counselor Martin Bednarek and Learning Center Coordinator Ron Andrade partnered to facilitate the program. The program focuses on incoming students who place into math or English classes at the pretransfer level. Students placing into pre- transfer level courses or who are the first in their families to attend college have a greater risk of leaving college before reaching their educational goals. The program provides important tools to ensure that students are prepared to meet the academic and social demands of their first year at CSM. See "Summer Bridge" on page 22

# Message from the President

For CSM, 2013 will be a banner year as the college community celebrates the 50<sup>th</sup> anniversary of the College Heights campus. It was in fall of 1963 that the new state-of-the art College Heights campus first opened its doors to students. At the time, the college's design was considered to be "the ultimate modern educational institution;"\* it was also the first time in the college's 41-year history that it had a permanent home. While the physical campus served the community well for decades, in time, it required major renovations and new construction. Finally, after several years of construction zones, noise, dirt and dust, the campus

has been renovated and CSM is poised to serve generations of students to come. We are so grateful to the voters of San Mateo County for approving two bond measures that significantly contributed to the renewal of the campus. It is once again a state-of-the art-facility. We are ready to have a celebration!

What better way to honor our "50 years on the hill" than to invite the community to celebrate the return of our signature event, Jazz On The Hill. We hope you will join us on June 1, 2013 for a day filled with great jazz, a campus open house and other

festivities. For those of you who haven't visited CSM recently, Jazz On The Hill will be a perfect time to see how beautifully our campus has been transformed.

Over the decades CSM has been a pioneer in developing programs that serve the needs of our community. I invite you to read about two new programs both are shining examples of the innovation that is a hallmark of the college the Electrical Pathways Program and the Summer Bridge Academy. In addition, our campus is a venue for year-round performing arts events. On page 3 of this *Schedule of Classes*, we are showcasing the college's 16<sup>th</sup> Annual High School Jazz Festival, a wonderful opportunity for young musicians to perform and learn from professional jazz artists.

Finally, I hope you read our inspiring student feature about Chennie Castañon, a young woman who struggled to get an education only to flourish at CSM and UC Berkeley; today she is employed as a biologist working on the San Andreas Seismic Upgrade Project. Chennie's story illustrates how students can find the support they need at CSM to turn their lives around.

# Jazz Festival Showcases Local High School Talent

Some of the Bay Area's most talented high school jazz musicians will take center stage at CSM's 16th Annual Jazz Festival on Friday, November 16. Between 350 to 400 students representing 18 Bay Area high school big bands will participate in this year's event. In addition to showcasing student talent, the festival provides the opportunity for students perform and share musical experiences with one another, and to learn from nationally-recognized professional jazz artists and educators. The professionals serve as adjudicators providing insightful comments and advice to the students.

CSM Professor of Music Mike Galisatus, the festival coordinator and a 25-year veteran high school music educator, explains, "Our festival focuses on music education in a friendly, non-competitive environment. It allows young jazz musicians to perform and receive feedback from some of the most well-respected music educators in the field. It's also a great opportunity to promote the genre of jazz to students as the 'future carriers of the jazz flame.'" More than 6,000 studentmusicians have participated in CSM's festival's during its 16-year history,

Galisatus has lined up an impressive panel adjudicators: Dave Eshelman, emeritus professor of music, California State East Bay and well-known jazz composer; George Stone, professor of music at Cuesta College; Dr. Gregory Yasinitsky, director of the School of Music at Washington State University, an award-winning saxophonist and a CSM alumnus; Dale Engstrom, professor of music, Fresno City College; and Paul Contos, director of the Monterey Jazz Festival's Education Division.

The festival also hosts hands-on clinics conducted by professional musicians for students and band teachers to attend. This year's clinicians and workshop sessions are impressive and include Frank Sumares, professor of Jazz Studies at San Jose State University, who will conduct clinics on Jazz Piano; and Grammy-nominated musician John Santos, one of the foremost bandleaders, producers, percussionists and educators in the field of Afro-Latin music, will present Latin rhythm jazz.

One of the highlights of the festival is a performance by special guest artist Wayne Bergeron, a "top-call" studio trumpeter from Los Angeles. In addition to having recorded many albums, he plays with Gordon Goodwin's Big Phat Band. Bergeron will be performing with CSM's "Monday Night Jazz Ensemble" during the noon concert.

The High School Jazz Festival runs from 8 am to 6 pm and is open to the public and admission is free. For information on the day's program visit collegeofsanmateo.edu/music/jazzfestival.asp.

In addition to the Jazz Festival, CSM's Music Department offers a variety of performances throughout the academic year. These events are open to the community and include jazz, symphonic, electronic music, piano, guitar and vocal concerts. To learn more about upcoming musical events, visit <u>collegeofsanmateo.edu/</u> <u>music/calendar</u>.

## Jazz On The Hill

(continued from front cover)

According to KCSM General Manager Marilyn Lawrence, "We are thrilled to bring back Jazz On The Hill as the kick-off event for the college's 50<sup>th</sup> year on the hill. I can't think of a better community event to showcase KCSM, Jazz 91 and College of San Mateo, in partnership to continue a legacy of great music and higher education to the San Francisco Bay Area."

Jazz On The Hill runs from 10 am to 6 pm. For more information visit <u>collegeofsanmateo.edu/jazz</u>.

# Electrical Pathways Program: Industry Partnership Provides Career Path to Tech Jobs

Today, more than ever, there is an increased need to provide job training that leads to career-track jobs in high demand. In response to that need, College of San Mateo joined with Pacific Gas and Electric, East Bay Municipal Utilities District and San Francisco Public Utilities Commissions to develop the Electrical Pathways Program (EPP).

The 19-unit certificate program offers training in electronic technology that crosses 14 different industries including utilities, transportation, manufacturing, pharmaceuticals, biomedical and alternative energy, to name a few. CSM's curriculum combines customized classroom instruction with hands-on lab experience over the course of three semesters. EPP is designed to increase students' competitiveness to enter into union apprenticeship or employer-training programs.

Utility company employers anticipate that within the next decade, they will have more jobs than qualified candidates in the energy and water/wastewater industries due to a large number of experienced workers who will be retiring. CSM's industry partners have a commitment to hire locally and support the college's efforts to provide employment training to prepare local residents for these jobs.

Students who complete EPP are positioned to pass employment tests and interviews for high wage/high demand jobs and have the advantage of entering the industry at the ground level for employment opportunities such as electrical and instrument worker, line worker, utility worker and apprentice system operator. Salaries range from \$50,200-\$71,884 annually at entry level, and following successful completion of entry-level training, salary potential climbs from \$52,968-\$88,860.

CSM Electronics Associate Professor Steven Gonzalez describes the difference between AC and DC waveforms to a student.

EPP graduate Andy Guinn, currently employed at Tesla Motors, provides a student's perspective of the program:

For me, the heart and soul of the program is the staff of dedicated instructors and administrators whose concern for the real-life needs of working people drove them to create a curriculum that would actually develop work skills for today's economy. The instructors guided me, not only through completion of the program, but they inspired me to go beyond what I ever thought was possible.

In addition to Tesla Motors, some of recent graduates of EPP are currently employed at Loral Aerospace, BART, PG&E, Lawrence Livermore Labs and a number of start-up companies throughout the Bay Area. To learn more about the program visit <u>collegeofsanmateo.edu/</u> <u>powersystems</u>.

# Who May Attend CSM

Any person who is a high school graduate, or who has passed the California High School Proficiency Examination or the General Education Development Examination (GED), or who is 18 years of age or older is eligible to attend this public community college. See page 5 for enrollment steps.

High school students may be admitted for concurrent enrollment with the permission of the dean of enrollment services. See College Connection Concurrent Enrollment Program on this page for details.

#### **Open Enrollment**

Every course offered at College of San Mateo (unless specifically exempted by legal statute) is open for enrollment and participation by any person who has been admitted to the College and who meets the prerequisites of the course provided that space is available.

#### Residency

Students who have been California residents (as defined in the Education Code) for more than one year prior to the beginning of any semester are eligible to enroll as residents for that semester. Nonresident students are those U.S. citizens who have not been residents of California (as defined in the Education Code) continuously for one year prior to the start of the semester. They are required to pay a tuition fee of \$203 per unit at the time of registration, in addition to other required fees paid by California residents. Students may be required to present documentary evidence of eligibility for classification as residents. See page 21 for Fees.

Students need not be U.S. citizens to be classified as residents. Permanent resident aliens and many other citizens of other countries are eligible to establish California residency.

# Getting Started at CSM

#### **Continuing Students Priority Registration**

Priority registration gives specific groups of students the opportunity to register for classes early. Generally, groups are given priority based on maintaining current Student Educational Plans, completing the matriculation process, and earning a total number of units with the district. See Spring 2013 Important Dates on page 2 for a breakdown of the Priority registration days, dates and the groups included for each day.

A student is considered a continuing student with priority registration if the student enrolled in the Fall 2012 semester in at least one class and is either still enrolled; or dropped the class after the class session had started. In mid-November, students will be sent a WebSMART registration appointment email which will contain their individual appointment date. Continuing students may register and pay fees using WebSMART on or after their appointment date. **All students who have an outstanding balance from any prior semester will not be able to register for classes until all fees are paid.** 

#### **Application Process for NEW and FORMER Students**

All students who have not attended any of the last three semesters, including summer session, must submit an Application for Admission for the Spring 2013 term. Submit an Application for Admission at <u>collegeofsanmateo.edu/apply</u>. After being admitted, and completing matriculation requirements, if applicable, new and former students may register and pay fees using WebSMART. See Spring 2013 Important Dates on page 2.

#### **College Connection Concurrent Enrollment Program**

The High School College Connection Concurrent Enrollment Program is a special program designed to provide current 9<sup>th</sup>-12<sup>th</sup> graders the opportunity to get an "early start" on their college experience and earn college credit. Enrollment fees are free to California residents who enroll in less than 11 units.

- Step 1: Apply for admission online at collegeofsanmateo.edu/apply.
- Step 2: Meet with your high school counselor to select your college courses.
- Step 3: Take placement tests at CSM if you are planning to register for English or math courses. Call (650) 574-6175 for information.
- Step 4: Submit completed Course Request Form to the Admissions and Records Office at College of San Mateo, Building 10, Third Floor, by mail, in person, or by fax (650) 574-6506.
- Step 5: Register for classes at <u>collegeofsanmateo.edu/websmart</u>.
- Step 6: Sign in and use your assigned My.SMCCD.edu email.

#### For more information, visit collegeofsanmateo.edu/ce.

#### International Students

Residents of other countries may apply for admission as F-1 Visa students through the International Student Program. Special international student applications, related forms and additional information may be obtained from the International Student Office (Building 10, Third Floor, Room 310). For office hours and more information, call +1 (650) 574-6525 or go to collegeofsanmateo.edu/international.

To be eligible for priority admission for the semesters listed below, special applications should be filed in the International Student Office by these dates:

Spring 2013 (January-May)	. October 1, 2012
Fall 2013 (August–December)	April 15, 2013

#### AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying non-resident tuition. Students who have attended a California high school for three years AND received a California high school diploma or its equivalent, such as a GED or passing the high school proficiency exam, are exempt from paying non-resident tuition. If you are qualified, please complete the AB540 form and submit it by fax (650) 574-6506, by mail, or in person to the CSM Admissions and Records Office located in College Center Building 10, Third Floor, Room 360. You may obtain the AB540 form from the CSM website at <u>collegeofsanmateo.edu/forms</u>, or from the Admissions and Records Office.

# Spring 2013 Registration Dates & Times Continuing Students: November 5-November 16 New & Former Students: November 17-January 13

#### How to add classes after the semester has started

To add a class, attend the first class meeting to obtain the instructor's approval. If space is available, the instructor will give you a four-digit authorization code to enter when you register. You must complete the registration process through WebSMART no later than Monday, January 28.

If a class has reached its maximum enrollment limit, you may be able to choose to add your name to the waitlist. If space becomes available for you to add a class, you will be notified through your my.smccd.edu email account. You will have 24 hours to respond. For more important details visit <u>collegeofsanmateo.edu/registration/waitlists.asp</u>.

For important information regarding deadlines for eligibility for credit or refund of fees please visit <u>collegeofsanmateo.edu/fees/credit.asp</u>.

**Online classes** – You can find online instructor contact information by selecting the course title link within WebSCHEDULE (collegeofsanmateo.edu/webschedule).

# **Distance Education**

College of San Mateo is committed to meeting the evolving needs and expectations of its students and community through the expansion of alternative means of delivering instructional and student support services.

Distance education courses consist of online and hybrid courses. Online courses are conducted through a class website, and there are no mandatory campus meetings. Hybrid courses are conducted mostly online but do have at least one meeting on campus. Most CSM distance education courses are applicable toward associate degree credit, and many satisfy transfer course requirements. Additionally, students enrolled in distance education courses have the same access to financial aid as those enrolled in on-campus courses.

Distance education courses may not be right for all students. They give students greater freedom of scheduling, but they also require more self-discipline than on-campus courses. How well distance education courses fit into your educational and career goals depends on many factors. It is important for first-time distance education students to review the information available on the distance education website at <u>collegeofsanmateo.edu/distanceeducation</u>. For those students who are able to create the right environment, have the right study habits, and understand the technical and academic requirements, CSM's Distance Education courses can be as effective as on-campus courses in terms of student learning.

#### Priority Enrollment Program (PEP)

For Graduating High School Seniors and Other New or Returning Students

College of San Mateo offers a special enrollment program that provides priority access to matriculation services and enrollment for students who plan to enter the College in Fall 2013. The program, Priority Enrollment Program (PEP) is offered on dates beginning in March 2013. More information about PEP can be found at <u>collegeofsanmateo.edu/pep</u>.

#### **Transfer Students**

Students who have completed lower division coursework at other colleges and universities and wish to apply that credit to the completion of a College of San Mateo certificate, associate degree, or to a California State University General Education Certification, or to an IGETC Certification should have their transcripts officially evaluated after applying for admission at <u>collegeofsanmateo.edu/apply</u>. For more information, review the Transcript Evaluation Service information at <u>smccd.edu/transeval</u>.

#### **Dismissed Students**

Students on dismissal status within the San Mateo County Community College District must go through a process to request reinstatement and permission to enroll in classes. The first step of this process at College of San Mateo is to attend a Reinstatement Workshop. To schedule a reservation for a workshop go to the Counseling Office in Building 10, Third Floor, Room 340. Students must complete the workshop and the reinstatement process prior to the registration deadline date for the term for which they request enrollment.

Students who were dismissed and who have NOT been in attendance at College of San Mateo, Cañada, or Skyline College since Spring 2012 must complete an application for admission prior to attending the Reinstatement Workshop.

The Distance Education Office is available to assist students and answer questions in order to ensure College of San Mateo students have a successful distance learning experience. For more information, please visit the distance education website at <u>collegeofsanmateo.edu/</u><u>distanceeducation</u> or call (650) 524-6933.

# International Education

College of San Mateo welcomes international students, who enrich the academic, cultural, and social life of the campus by bringing a diversity of ideas and multicultural perspectives to the classroom and by providing opportunities beyond the classroom for all CSM students to engage in conversations and activities that create a broader understanding of the global community in which we all live.

College of San Mateo's International Student Program provides extensive support services for international students including an efficient admissions process, assistance with financial aid, a welcoming on-campus orientation, and ongoing counseling and advising throughout the students' enrollment at the college. Dedicated, student-centered professors, small class size, and state-of-the-art facilities create a robust instructional environment in which students grow intellectually and prepare for transfer to a four-year institution or for further training in a career. For information, contact Patricia Kwok: kwokp@smccd.edu or (650) 574-6525.

#### Step 3: College Orientation and **Counseling Workshop**

Attend the College Orientation and Counseling Workshop in College Center, Building 10, First Floor, Room 191. You are required to bring your placement test results and to be on time. Latecomers are not admitted to the workshop, so plan to arrive on campus early. At the completion of the workshop you will be able to register for classes and you are eligible

a grant. Awards for students are prorated based on enrollment status: full-time 12 or more units; half-time 6-8.5 units; threequarter time 9-11.5 units; less than half .5-5.5 units. Awards range from: \$277-\$550.

#### Cal Grant A, B and C Deadline to Apply is March 2 or September 2

Cal Grants are for California residents only. They are awarded by the California Student Aid Commission for attendance in schools in California only. Maximum awards are: Cal Grant B \$1,551; Cal Grant C \$576.

#### Federal Supplemental Educational **Opportunity Grant (FSEOG)**

FSEOG is a grant awarded to students with exceptional need (EFC of o through 1,000). Awards range from: \$100-\$800. Priority application date: March 2. Visit www.icanaffordcollege.com

#### California Chafee Grant (CHAFEE)

The California Chafee Grant Program awards funds to eligible current or former foster youth for career and technical training or college courses. Eligible Chafee applicants are required to be, or to have been, in foster care between their 16<sup>th</sup> and 18<sup>th</sup> birthdays, and to not have reached the age of 22 by July 1 of

the award year. Maximum annual award: \$5,000.

to schedule an appointment to meet with a counselor. Only students who have attended a workshop have access to counseling appointments.

Sign In & Use Your

Assigned My.SMCCD.edu

Email

This two hour workshop covers the registration process, use and management of WebSMART, educational goals, placement test results, course selection, and more. Reservations are scheduled through your student WebSMART account, or go to the Counseling Center, College Center, Building 10, Room 340. If you plan to apply for financial aid, see Financial Aid Steps below.

#### Step 4: Register for Classes

and Pay Fees

Your appointment to register will be sent to your student WebSMART account. To log-in, you will need a User ID (G number) and password (six digit birth date). Use your student WebSMART account to view your registration appointment, register for classes and pay fees.

Many courses with prerequisites are subject to computerized prerequisite checking. When registering for a class, the student database looks for: 1) the successfully completed prerequisite course, or 2) the placement test results that indicate the skill level prerequisite requirements. If neither requirement is met, registration for the course is blocked. If you have completed the prerequisite course outside of the college district, go to collegeofsanmateo.edu/prerequisites for more information.

#### Step 5: Sign In and Use Your Assigned My.SMCCD.edu Email

All college electronic communications will be sent to your My.SMCCD.edu email address. You can expect to receive important email messages from your professors and the college before the first day of school. Log into your WebSMART student account to find your email address and password and check it regularly.

#### **Extended Opportunity Programs and Services (EOPS)**

EOPS is a statefunded program that provides book vouchers, grants, support services, and limited transportation services to high-need, educationally disadvantaged students who are California residents. Students must complete the FAFSA and/ or a BOGFW application to apply. Students must be enrolled full-time at the time of application. Final eligibility for EOPS and CARE is determined and coordinated through the EOPS Office.

#### Student Employment Federal Work Study (FWS)

Students who apply for financial aid and complete the Student Information Sheet and the FAFSA by March 2 are given priority. Maximum Annual Award: up to \$6,000. Priority application date: March 2.

#### Loans

Loans are financial aid funds that students borrow now and repay after they complete a program of study or stop going to school. Loan amounts vary from \$500-\$6,500.

#### sonal enrichment; upgrade job skills; maintain a certificate or license; participate in the High School Concurrent Enrollment Program; or if you have already completed an associ-

ate degree or higher in the United States; or if you are primarily a student at another college or university and taking courses at College of San Mateo to meet the requirements of institution, you must follow steps 1, 4 and 5.

If Your Educational Goal is to obtain an associate

degree or certificate; transfer to a four-year university; im-

prove basic skills in English, reading or math; or if you are

applying for financial aid; or if you are undecided about

your goal, you must follow all steps shown above; or if

you wish to schedule an appointment with a counselor, you

If Your Educational Goal is to take courses for per-

must complete all the steps shown above.

#### Step 1: Apply

All students are required to complete the Application for Admission. Fill out the Application online at collegeofsanmateo.edu/apply.

After the application has been received, you will be sent an email confirmation with additional information. You will also receive a student identification number (which begins with a "G"). Use this number to conduct all college business and access college services.

#### Step 2: Take Placement Tests

Placement tests are designed to assess your skills in English or ESL, reading, and mathematics. Test results assist you to select courses, build an appropriate schedule of classes and determine whether you meet prerequisites for certain courses. View sample test questions online at collegeofsanmateo.edu/testing.

# **Financial Aid**

Students applying for Financial Aid must complete enrollment steps as noted above. All students who have completed coursework at other colleges/universities must have their transcripts officially evaluated by completing a Transcript Evaluation Request form. Visit smccd.edu/transeval.

Complete a Free Application for Federal Student Aid (FAFSA) to automatically be considered for all of the following programs.

#### Board of Governer's Fee Waiver (BOGFW)

The State of California offers a BOGFW for students who are residents of the State of California, attend a community college, and are eligible for need-based financial aid. The BOGFW pays enrollment fees only for the academic year when eligibility has been determined. Other fees, such as parking (\$20 for BOGFW students), health, student body and student representation, must be paid by the student.

#### **Federal Pell Grant**

You are automatically considered for a Federal Pell Grant

when you file the FAFSA. If you receive an Expected Family Contribution (EFC) of 5200 or less on the Student Aid Report (SAR), you are eligible for a Federal Pell award. Less than halftime students have a much lower EFC cut-off to be eligible for

# Financial Aid Steps

#### Scholarships

Scholarships are awarded for a variety of criteria. Awards range from \$100-2,500. Contact the Financial Aid Office at 574-6514 for more information.

#### Step 1: Apply

For 2012-13 file a 12-13 FAFSA at <u>www.fafsa.ed.gov</u>. College of San Mateo's college code is 001181. FILE EARLY for the upcoming year (anytime after January 1). It is also recommended that you attend a free Financial Aid workshop. Log in to WebSMART for dates and sign-up.

#### **Step 2: Student Aid Report Received**

After you apply, you'll receive a Student Aid Report (SAR). Your SAR contains the information reported on your FAFSA and usually includes your Expected Family Contribution

(EFC). The EFC, a measure of your family's financial strength, is used to determine your eligibility for federal student aid.

#### Step 3: Check SAR for Accuracy

Your SAR must be checked for accuracy and then brought to the Financial Aid Office for review. Please check WebSMART for any additional information required to complete your file before submitting your SAR to the office.

#### Step 4: Submit Documents

Submit all required documents to College of San Mateo's Financial Aid Office. File is complete!

#### Step 5: Notification of Result

Check WebSMART to learn the status of your financial aid. College of San Mateo will notify eligible students in WebSMART by an award letter outlining the types and amount of Financial Aid they qualify for at CSM.

#### Step 6: Aid Funds are Paid!

You will receive a check in the mail or if you signed up for direct deposit funds will be electronically deposited into your bank account.

# Educational Goals at CSM

View the College Catalog and the College website, <u>collegeofsanmateo</u>. <u>edu</u>, for more information about goals and opportunities at College of San Mateo.

#### University Transfer Program

Complete your freshman and sophomore years of university work at College of San Mateo and transfer as a junior to a baccalaureate level college or university. College of San Mateo can help you plan an educational program to prepare you to transfer to the University of California, California State University or private college or university to earn a bachelor's degree. Assistance from Counseling Services and Transfer Services can ensure a smooth transition to the transfer institution of your choice. With planning, it is possible to concurrently complete an associate degree as you complete coursework to facilitate university transfer. In many cases, students planning to transfer may want to pursue an Associate Degree for Transfer (AA-T/AS-T). See information below.

# Senate Bill 1440 - New Associate Degrees for Transfer (AA-T or AS-T) Benefit Students Intending to Transfer to CSU

California community colleges, as a result of SB 1440, offer associate degrees designed to support transfer to the California State University system and concurrent completion of an associate degree with one clear pathway of coursework. Students who complete an AA-T or AS-T secure priority admission to the California State University system. A list of associate degrees for transfer (AA-T/AS-T) is located in the CSM Catalog and on the Transfer Services website. For more information about SB 1440 and advantages to completing an AA-T or AS-T go to www.sb1440.org.

Associate in Arts and Associate in Science Degree Programs At College of San Mateo you can select from over 75 associate degree majors, or choose to complete multiple degrees to enhance career and job opportunities or for personal enrichment. Graduation from College of San Mateo with the associate in arts or science degree is based upon the completion of 60 units of lower-division college-level work, which includes major, basic competency, and general education requirements. For a complete list of associate degree majors and courses required to satisfy each major refer to the CSM Catalog.

#### **Certificate Programs**

You can earn a certificate in achievement or a certificate of specialization in over 80 areas. Certificate programs are designed to prepare you for employment. All certificate programs are carefully developed by advisory committees composed of college staff and selected representatives from the business and industrial communities. Typically certificates require 12–40 units of coursework and can be completed in one semester or over several semesters. Certificates are awarded upon successful completion of requirements listed in the CSM Catalog.

#### Gainful Employment Disclosure Information

Final regulations published in the Federal Register on October 29, 2010, [75 FR 66665 and FR 66832], by the U.S. Department of Education, require all institutions that participate in the student financial assistance programs authorized under Title IV of the Higher Education Act of 1965, to report certain information about students who enrolled in Title IV - eligible educational programs that lead to gainful employment in a recognized occupation. College of San Mateo's report on educational programs leading to gainful employment is available at <u>collegeofsanmateo.edu/degrees</u>.

#### **Multiple Educational Goals**

At College of San Mateo you are free to pursue your educational

interests for personal and career growth and development. This may mean that you want to complete certificates, associate degrees, and transfer. You are not limited to selecting one educational goal.\*

\*Students participating in the some special programs (such as the CSM Financial Aid program) are required to declare one educational goal.

#### Updating Job Skills

You may find classes and programs that appeal to you for updating your job skills or advancement in your career.

#### **Program Planning and Enrollment Management**

Students enrolling at College of San Mateo should plan a program of study that will meet their educational and career goals. All enrolled students have access to counseling services and should consult with a counselor early in the educational process for guidance and academic planning assistance. Students often have multiple goals and plan to complete a college certificate, an associate degree, and/or transfer to a university to complete a baccalaureate degree.

If in the course of enrollment at College of San Mateo, students find it advisable to change their program of study or educational goal, they may do so. These changes should be discussed with a counselor and students should be aware that any changes may result in extending the time necessary to fulfill the certificate or degree or transfer requirements. Ultimately, students maintain full responsibility for planning their educational programs and for their enrollment management.

Students are responsible for maintaining current and accurate information in their WebSMART accounts and updating personal contact information and educational goal information, managing registration and enrollment, retrieving grades and placement test results, and monitoring academic standing.

- A Student Responsibility -

As a student at College of San Mateo, it is your responsibility to manage your enrollment. This includes updating your personal information record via WebSMART, checking your student email, registering for classes in a timely manner, adhering to all deadlines listed on the Important Dates page in the beginning of this Schedule (in particular late registration, withdrawal from classes, payment of fees), and monitoring your academic standing.

#### HONORS PROJECT

Students accepted into this new and unique interdisciplinary community will join a dedicated group of faculty and students, working together to create a rich, intellectual experience at CSM. Students will earn honors credit in selected transfer courses by developing and successfully completing advanced research projects. Students are required to concurrently enroll in an Honors Project research seminar. Students must be accepted into the Honors Project before registering for seminars. For more information, contact David Laderman (laderman@smccd.edu) or Tim Maxwell (maxwellt@smccd.edu). 43641 FILM 329 AH Mon 2:10-4:00 18-206 Laderman 2.0 43770 PHYS 329 HN Wed 12:10-2:00 36-112 Janatpour 2.0

LEARNING COMMUNITIES

#### **PUENTE PROJECT**

The Puente Project is an interdisciplinary program with writing, counseling, and mentoring components designed to support success in college and eventual university transfer. This learning community focuses on the Chicano/Latino Experience and spans two semesters. In fall students eligible for ENGL 838 and 848 register for ENGL 838 and CRER 120. In spring students continue in ENGL 100 & 102 and CRER 104, 105, & 301 (total of 2 units of CRER courses). Students are required to enroll in the English and Career courses concurrently each semester. For more information contact Jon Kitamura (kitamuraj@smccd.edu) or Lorena Gonzalez (gonzalezl@smccd.edu ). Visit collegeofsanmateo.edu/puente. 40617 CRER 104 A3 TTh 11:10-12:00 Gonzalez 0.5

#### WRITING IN THE END ZONE III

3.0

1.5

This learning community links Composition and Reading and Weight Conditioning for Varsity Football. Students will continue intensive critical reading and writing practice, focusing on expository texts. Students will reflect on and refine their reading and writing processes, learn to incorporate a variety of advanced and sophisticated sentence structures into their writing, and write logically organized and developed academic, text-based essays on a variety of socially and culturally significant topics, some of which may relate to athletics. 32129 ENGL 100 FD MWF 11:10-12:00 16-107 James 3.0 TBA Hours: By Arr 1.0 Hr/Wk 18-104 42888 ENGL 102 FD TTh 11:10-12:00 16-107 James 2.0 32321 FITN 220 AA By Arr 6.0 Hrs/Wk 8-117 Pollack 2.0

#### Notes:

When a course consists of lecture and laboratory, the final examination is scheduled according to the time of the lecture. If your class meets at a time other than those listed, please check with your instructor for further information regarding your final examination. If there is an unavoidable conflict in your final examination schedule, see your instructor in one of the classes and request to take the examination with another class. Examinations start promptly at hours indicated and are held in the same room in which the class regularly meets.

#### **Evening/Weekend Classes**

# **FEES & REFUNDS**

# Fees

Fees are due and payable at the time of registration. Students will not be able to register for classes if they have any outstanding balance. On Monday, January 7, students who have any outstanding fee balances for Spring 2013 will be dropped at midnight for non-payment of fees. Beginning, Tuesday, January 8 (one week prior to the start of the spring semester), students will be dropped at midnight the day following their registration for non-payment of fees. For more important information, visit <u>collegeofsanmateo.edu/fees</u>.

Student enrollment fees are set by California's legislature and governor and are subject to change at any time. It is possible that your fees may be adjusted at a future date. All student records are automatically held until all outstanding debts to the District colleges have been cleared. Unpaid bills may be sent to collections.

Students who are classified as California residents as defined in the California Education Code will be charged an enrollment fee, a health services fee and a student representation fee. An optional student body fee also will be assessed. In accordance with California law, the enrollment fees may be waived for California residents who demonstrate financial need and qualify for a Board of Governors Enrollment Fee Waiver (BOGW). Contact the College Financial Aid Office for additional information.

Students who are classified as nonresidents will be charged a tuition fee in addition to the enrollment fee, health services fee and student representation fee. International Students (F-1 Visa) are subject to a health insurance requirement and are charged tuition and capital outlay fees in addition to enrollment fees. Contact the International Student Office for details.

The student representation fee was established by student election to support student advocacy before local, state and federal offices and agencies.

In addition, students will be required to purchase textbooks and miscellaneous supplies, as well as tools and technical supplies for certain programs. In some courses students will also be required to pay a non-refundable instructional materials charge.

Fees are subject to change at any time by action of the State Legislature, Board of Governors of the California Community Colleges, or the District Board of Trustees.

If you need assistance in paying your fees, you are encouraged to:

- Enroll in an inexpensive payment plan via WebSMART
- Apply for financial aid (www.fafsa.gov) at least five business days prior to registering for your classes
- Complete the Board of Governors Fee Waiver via WebSMART

If you still need financial asisstance after exhausting all options listed above, please contact the Vice President of Student Services at csmvpss@smccd.edu.

#### AB 540 Students

Under Assembly Bill 540 (AB540), you may be exempt from paying nonresident tuition. Students who have attended a California high school for three years AND received a California high school diploma or its equivalent, such as a GED or passed the high school proficiency exam, are exempt from paying non-resident tuition. See page 4 for more information.

# Credit and Refund Policy

#### Enrollment Fee, Nonresident Tuition Fee, Health Services Fee and Parking Fee

Students who officially withdraw from all courses, or reduce their program prior to the first class meeting or by the course deadline date will receive credit toward future fees for the full amount of all fees paid for those classes. To view deadline date, check course in WebSMART. A \$10 processing fee (plus an additional \$50 processing fee for nonresident tuition) will be retained by the College if a refund is issued to a student withdrawing from all classes. For all courses dropped after the deadline, these fees are not refundable unless an action of the College (e.g., class cancellation) prevents a student from attending class. Parking permit fees are not refundable.

#### Student Body Fee and Student Representation Fee

Students enrolling during the normal registration period in semester-long classes may request a waiver or a refund of the Student Body Fee and/or the Student Representation Fee through the last day to drop semester-long classes (see Important Dates). Students enrolling after the end of this deadline may request a waiver or a refund of these fees within one (1) week of completing registration. Students enrolled only in short courses have until the first class session to request a waiver or refund of these fees. Students requesting a waiver or a refund of the Student Body Fee and/or the Student Representation Fee must do so in-person at the Center for Student Life and Leadership Development in Building 17, Room 112.

#### Variable Unit Courses

No enrollment fee or nonresident tuition refund or credit will be available to students enrolled in variable unit courses who earn fewer units of credit than the number for which they originally registered. Students earning additional units will be charged accordingly.

#### Important:

- 1. Credit balances remain on student accounts for a maximum of five (5) years.
- 2. A student may either choose to maintain a credit balance on account or contact the Business Office (Building 10, Room 360, 574-6412) to arrange for a refund.
- 3. Refunds are NOT issued automatically and are subject to a \$10 processing fee if the student withdraws from all classes. Refunds of nonresident tuition are subject to an additional \$50 processing fee.
- 4. Fees paid by personal check require 30 days for bank clearance before refunds can be processed.
- 5. To be eligible for a credit or refund, a student must officially withdraw from a course within the stated deadline. To view deadline date, check course in WebSMART. A withdrawal initiated by an instructor may NOT result in a credit or refund.
- 6. Fees will be credited or refunded without a processing charge if an action of the College (e.g., class cancellation) prevents a student from attending.
- 7. Student records, including transcripts, are withheld until all debts to the District colleges have been cleared.

## **Student Success** (continued from front cover)

**Summer Bridge** (continued from front cover)

With an affinity for math and science and an interest in environmental sciences, Chennie was inspired by Professor of Biology Tania Beliz and declared biology as her major. She received assistance from her science professors in selecting courses that would prepare her to transfer. "The courses are quality, faculty care about their teaching and they make themselves available to their students; more students should definitely take advantage of that."

While at CSM, Chennie participated in a summer internship, Tobacco Litter Awareness Campaign which resulted in the City of Pacifica passing the first ordinance in the county to ban smoking on beaches. From that experience, Chennie stepped up her environmental activism and launched an Eco Club at CSM. The club helped to promote a restricted smoking policy on the campus which eventually led to a change in the college's policy.

With support from her professors, Chennie aimed high and applied to UC Berkeley as a transfer student. However, while waiting to hear from Berkeley, a sudden change in her financial situation required her take a leave of absence from college to return to work; she contacted UCB to rescind her application for admissions. "When I returned

# **Transcript Evaluation**

- 1. Have you completed coursework outside of the San Mateo County Community College District?
- 2. If so, apply those classes toward your goal at Cañada College, College of San Mateo or Skyline College.
- 3. For more information and a Transcript Evaluation Form go to: www.smccd.edu/transeval.
- 4. It is strongly recommended that you request an official transcript evaluation during your first semester of attendance at a SMCCCD college.

After you receive the results of your transcript evaluation request, meet with a counselor on your campus to develop a Student Educational Plan (SEP).

from work one day, I found a blue and gold package from Berkeley and thought, how nice of them to send me a catalog; when I opened it, it was my letter of acceptance. When I called the university to explain it must be a mistake, they assured me that it wasn't and they also offered me a financial aid package that covered all of my educational expenses. The stars must have been aligned because I felt like I was meant to attend Berkeley. "

In 2009, Chennie graduated from Berkeley with a B.S. degree in conservation resource studies. "CSM prepared me for Berkeley and the hugeness of the university."

Thanks to her college education—CSM and UC—and a lot of perseverance, Chennie is employed as a biologist with an environmental consulting firm in San Francisco. She is currently serving as an environmental inspector on the San Andreas seismic upgrade project doing what she loves: "I get to work outside, get dirty and look for wildlife to make sure they are not harmed by the construction activities." As she looks back over her education, Chennie says, "Community college is a wonderful platform to step into college whether you know what you want to do or not and without the pressure of a large university."

The students received an extensive introduction to the college's support programs and services they need in order to be successful. They attended workshops that focused on college success strategies such as time management, planning for academic success and navigating the CSM experience. The program consisted of a diverse group of learners, recent high school graduates as well as four older, re-entry students returning to college to accomplish their career goals. Having one common goal, all students were seeking a smooth transition to college life. Regardless of any age differences, the group was a representative mix of the campus community, and through the Summer Bridge Academy program, they formed strong bonds with the college and with one another.

For the 23 students, completing the Summer Bridge Academy is not the end of their association with the program. They will continue to be offered ongoing opportunities for support, counseling, and social connections throughout their time at CSM. Several of the Summer Bridge students have already gotten involved in campus life by becoming active in the Associated Students of CSM.

Upon completing the program students were asked to reflect on their experiences.

Bridge student Manase Holani, 19, a graduate of Serra High School, commented that the most important thing he took away from the program was "...learning how to be a college student." Crystal Zamora, 18, of Redwood City said of her experience, "... through this opportunity, I have a better understanding of the resources available to me."

Financial support for the Summer Bridge Academy was made

possible by funds from Measure G. Summer Bridge students Crystal Zamora and Manase Holani

## **Parking Regulations**

#### **Parking Permit Requirements**

All persons driving motor vehicles (except motorcycles) on to campus and utilizing the parking facilities during regular class hours (Monday-Friday, 7 am-10 pm), including final examinations, are required to obtain and display a parking permit on their vehicle. A parking permit is not required for students riding motorcycles and parking must be in designated Motorcycle Parking in Marie Curie Lot 5 and Galileo Lot 6. Student parking permits are available for \$40 each for the fall and spring semesters (Fall/Spring Permit \$70) and \$20 for the summer session: parking permits for students with California Board of Governors (BOG) waivers are \$20 per semester.

#### Lost or Stolen Parking Permits

If a permit is lost or stolen, replacements are available at full price.

#### **Purchasing Parking Permits**

Students may purchase parking permits only online using WebSMART. Permits may be ordered and paid for online and mailed to the student's residence. Students may also order a permit online from computers located on the third floor of Building 10 (Admissions and Records Office and Business Office) and then pay for the permit and pick it up in the Cashier's Office. Temporary Parking permits are available online after purchasing a permit. Please follow online instructions on how to obtain your temporary parking permit while awaiting delivery of permit in the mail.

#### **Displaying Student Parking Permits**

sufficient money to purchase required time the permit machine located at each of the visitor lots will issue a receipt that need not be displayed in the vehicle.

Visitors may also park in a student lot after purchasing and displaying in the vehicle (face up on dashboard) a \$2 daily permit. Parking permit machines are located in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B and Stadium Lot 11. For the location of the parking lots please see a campus map.

#### San Mateo Athletic Club Parking

Special parking permits issued by the San Mateo Athletic Club are required at all times for parking in Olympian Lot 12. All other permits are not valid. For more information, call 378-7373 or visit <u>smccd.edu/sanmateoathleticclub</u>.

#### Traffic and Parking Regulations

The speed limit on the campus is 15 mph.

Parking is permitted only on blacktop surfaces in specifically marked parking spaces. Parking on unpaved areas, in roadways, in crosshatched areas, in marked end zones, in areas posted as no parking zones or in any unauthorized area is prohibited. Vehicles parked backed into diagonal parking spaces can create a hazard when exiting and will be subject to citation.

Driving or parking within the inner campus is prohibited.

The campus is open daily from 7 am to 10 pm.

#### **Academic Divisions**

For a full listing of instructional programs within each division, visit <u>collegeofsanmateo.edu/divisionoffices</u>.

Business & Technology Division 574-6228 19-113
Creative Arts & Social Science Division 574-649410-413
Language Arts Division
Math & Science Division
Kinesiology, Athletics & Dance Division 574-6461 5-343

Permits must be displayed in the vehicle with the number visible from the exterior of the vehicle. They may be either affixed on the inside lower left of the windshield (above the steering wheel) or affixed to a plastic hanger suspended from the inside rear view mirror. Plastic permit hangers may be obtained from the Bookstore for \$1 plus tax. Permits may be used on multiple vehicles.

Vehicles with improperly displayed permits will be subject to citation. It is the permit holder's responsibility to properly display the permit in the vehicle and to notify CSM's Department of Public Safety promptly if the permit is lost or stolen.

Daily parking permits are available for purchase for \$2.00 each from permit dispensers in Hillsdale Lot 1B, Beethoven Lots 2A and 2E, Galileo Lot 6B, and Stadium Lot 11. Daily permits are valid in all lots where, and when, students are authorized to park. These permits must be displayed face-up on the dashboard.

Semester parking permits and daily parking permits are valid on all three campuses of the District (College of San Mateo, Skyline College and Cañada College).

A grace period allowing for the purchase of permits will be in effect during the first two weeks of the spring and fall semesters and the first week of the summer session in student lots only. All staff parking lots are strictly enforced. The grace period pertains only to student permits with all other parking regulations enforced at all times in all parking lots and roadways.

#### **Visitor Parking**

Visitors may park in PayBySpace Visitor Lots Beethoven 2A, 2D and Forum Lot 8 (\$0.25 for each 15 minutes). After entering the space number in which the vehicle is parked into the machine and depositing Stopped or standing vehicles on sidewalks, roadways or restricted areas will be subject to citation.

#### Skateboards and Bicycles

The riding of skateboards on campus is prohibited by SMCCCD Regulations. Bicycles may be operated on campus. The California Vehicle Code prohibits the operation of bicycles on sidewalks.

#### Public Transit

SamTrans bus service has two direct routes to the campus (#250 and #260) and connecting bus routes from the Hillsdale Shopping Center and the Caltrain Station serving the CSM campus throughout the day. All buses have wheelchair lifts and also serve students attending evening classes. Routing information is available by calling 1-800-660-4BUS or via the Web at <u>www.samtrans.com</u> and <u>www.caltrain.com</u>. Printed schedules and maps are also available at the Student Life and Leadership Office in Building 17, Room 112.
