Proposed resolution: Brown Act, Ongoing proclaimed state of emergency relating to the novel coronavirus causing the disease known as COVID-19

- **WHEREAS**, on March 4, 2020, the Governor proclaimed pursuant to his authority under the California Emergency Services Act, California Government Code section 8625, that a state of emergency exists with regard to a novel coronavirus (a disease now known as COVID-19); and
- **WHEREAS**, on June 4, 2021, the Governor clarified that the “reopening” of California on June 15, 2021 did not include any change to the proclaimed state of emergency or the powers exercised thereunder; and
- **WHEREAS**, as of the date of this Resolution, neither the Governor nor the Legislature have exercised their respective powers pursuant to California Government Code section 8629 to lift the state of emergency either by proclamation or by concurrent resolution in the state Legislature; and
- **WHEREAS**, the continued local rates of transmission of the virus and variants causing COVID-19 are such that meeting in person would present imminent risks to the health or safety of attendees of public meetings;
- **NOW, THEREFORE, BE IT RESOLVED** that there is an ongoing proclaimed state of emergency relating to the novel coronavirus causing the disease known as COVID-19 and as a result of that emergency, meeting in person would present imminent risks to the health or safety of attendees of in-person meetings of this legislative body within the meaning of California Government Code section 54953(e)(1).
