

Date: May 24, 2022

To: College of San Mateo Academic Senate, Officers and Senators

CC: Dr. Jennifer Taylor Mendoza, College President

I've served in Academic Senate in various roles since 2006, my first year at CSM. I've been a senator, a curriculum committee member, Committee on Instruction /Curriculum Committee chair, District Curriculum chair and have served on various other Academic Senate subcommittees.

In Spring 2021, I was elected as co-president of Academic Senate along with Arielle Smith for a two-year term beginning the 2021-2022 academic year. My intent as co-president was to help with Senate leadership during my co-president's parental leave in Fall 2021 and ease the campus transition year of a new college president. I hope I've done both.

I announced in March 2022 that I would be resigning as Academic Senate co-President at the end of the 2021/2022 school year. I'll be doing a few last AS President duties this summer and will be handing off duties to the AS President (Interim 8/2022-10/2022) Jeramy Wallace in July 2022.
