Minu Mathur (2 yr, SOC)*

Judith Hunt (4 yr, HIS)*

**Per Jeanne Marie Velickovic (Dean of Creative Arts / Social Science): “Minu will replace Jeremy Ball (Philosophy) for two years, and Judith Hunt will replace Richard Lohmann (Art/Photography) for the remaining 3 years.*

We don’t have any tenured (or full-time faculty) in Art History, and our sister colleges do not have a tenured Art History faculty who could serve on the committee. The closest related disciplines are Art and History. In 2022, we appointed Richard Lohmann (Art/Photography) to serve on the committee for four years, but he retired at the end of the academic year. Jeremy Ball (Philosophy) was approved to serve for two years, but will be teaching in the Study Abroad program this fall.

Vera Fainshtein is our only full-time faculty in Art; thus she was appointed for 4 years. Minu Mathur has a strong love for and connection with Art History. We request that she serves for two years, and then Jeremy Ball will serve his 2nd year in year 4 of the tenure process. Judith Hunt teaches History (related to Art History), and loves Art History.”
