# FPD Program Parameters (CBA Article 13)

**13.1 PURPOSE:** There shall be an Academic Employee Professional Development Program to provide opportunities for the individual professional development of regular academic employees for the purpose of maintaining and enhancing the excellence of the educational programs of the District. The main thrust of this program is to update, retrain, and extend the expertise of faculty to meet the current and future needs of our students in accordance with college priorities.

# FPD Program Parameters (CBA Article 13)

**13.3 LEVEL OF FUNDING FOR PROGRAM:** The level of funding will be one percent (1%) of the District budget for regular academic and third- and fourth-year tenure track academic employees of the unit.

13.3.1 District funds will be allocated to the three colleges in amounts corresponding to the ratio of the numbers of regular academic and third- and fourth-year tenure track academic employees at each college.

13.3.2 The college budget will be augmented by these amounts, categorically funded for this purpose.

13.3.3 All projects funded for the following fiscal year must carry over committed monies from the current fiscal year.

13.3.4 Ending balance funds in a fiscal year can be carried over to the next fiscal year. This fund carryover will not reduce the following year's allocation for that college.

# FPD Program Parameters (CBA Article 13)

## **ELIGIBILITY**

- i. Regular and third- and fourth-year tenure track academic employees are eligible for short- and long-term projects with no restriction on the frequency of participation.
  
- ii. All regular academic employees who have completed six (6) years of continuous paid service with the District directly preceding the term of the requested leave are eligible for extended leaves. District authorized paid leaves will not constitute a break in service.
  
- iii. Part-time faculty shall be eligible to apply for and participate in short-term or long-term Professional Development activities, but may only take a short-term leave.
