- Positions announced by Acting President Richard Storti on 2/2/24
- Notes on Art (2-D) Committee from Jeanne Marie Velickovic:
 - *We took discipline expertise and diversity into account.*
 - *After the recent retirements of faculty in 2-D Art, 3-D Art and Photography, the only full-time faculty in the Art department is Cheyanne Cortez.*
 - *Cheyenne is not tenured yet (she is a year two full-time faculty), but she is excellent, and took the lead with Program Review and proposing faculty positions in 2-D Art, 3-D Art and Photography.*
 - *Art History is very closely related to 2-D Art, and Cheyanne took several courses in 2-D Art as part of her degree in Graphic Design.*
 - *Vera has an MFA in Digital Media Art and teaches Graphic Design courses. She is a practicing artist who produces multimedia works, as well as acrylic and watercolor paintings.*
 - *Jeremy brings a wealth of knowledge in terms of classroom instruction and pedagogy, including in different modalities.*
 - *The committee represents diversity in terms of national origin, ethnicity and gender.*

- Notes on Counseling Committee from Arielle Smith:
 - *Leo has been the faculty advisor for the transfer club for the last 2 years, Trang has been in general counseling since 2015 and both have broad knowledge about the transfer requirements and process. Shelly has been working with the ACCs as a faculty coach and in partnership with the counseling division on things, and brings a distinct perspective but still has an understanding of counseling work.*
