

Academic & Career Communities

Update: Spring 2024

**Allie Fasth
Director of Pathways &
Promise**

Academic & Career Communities

Science & Engineering

Health & Wellness

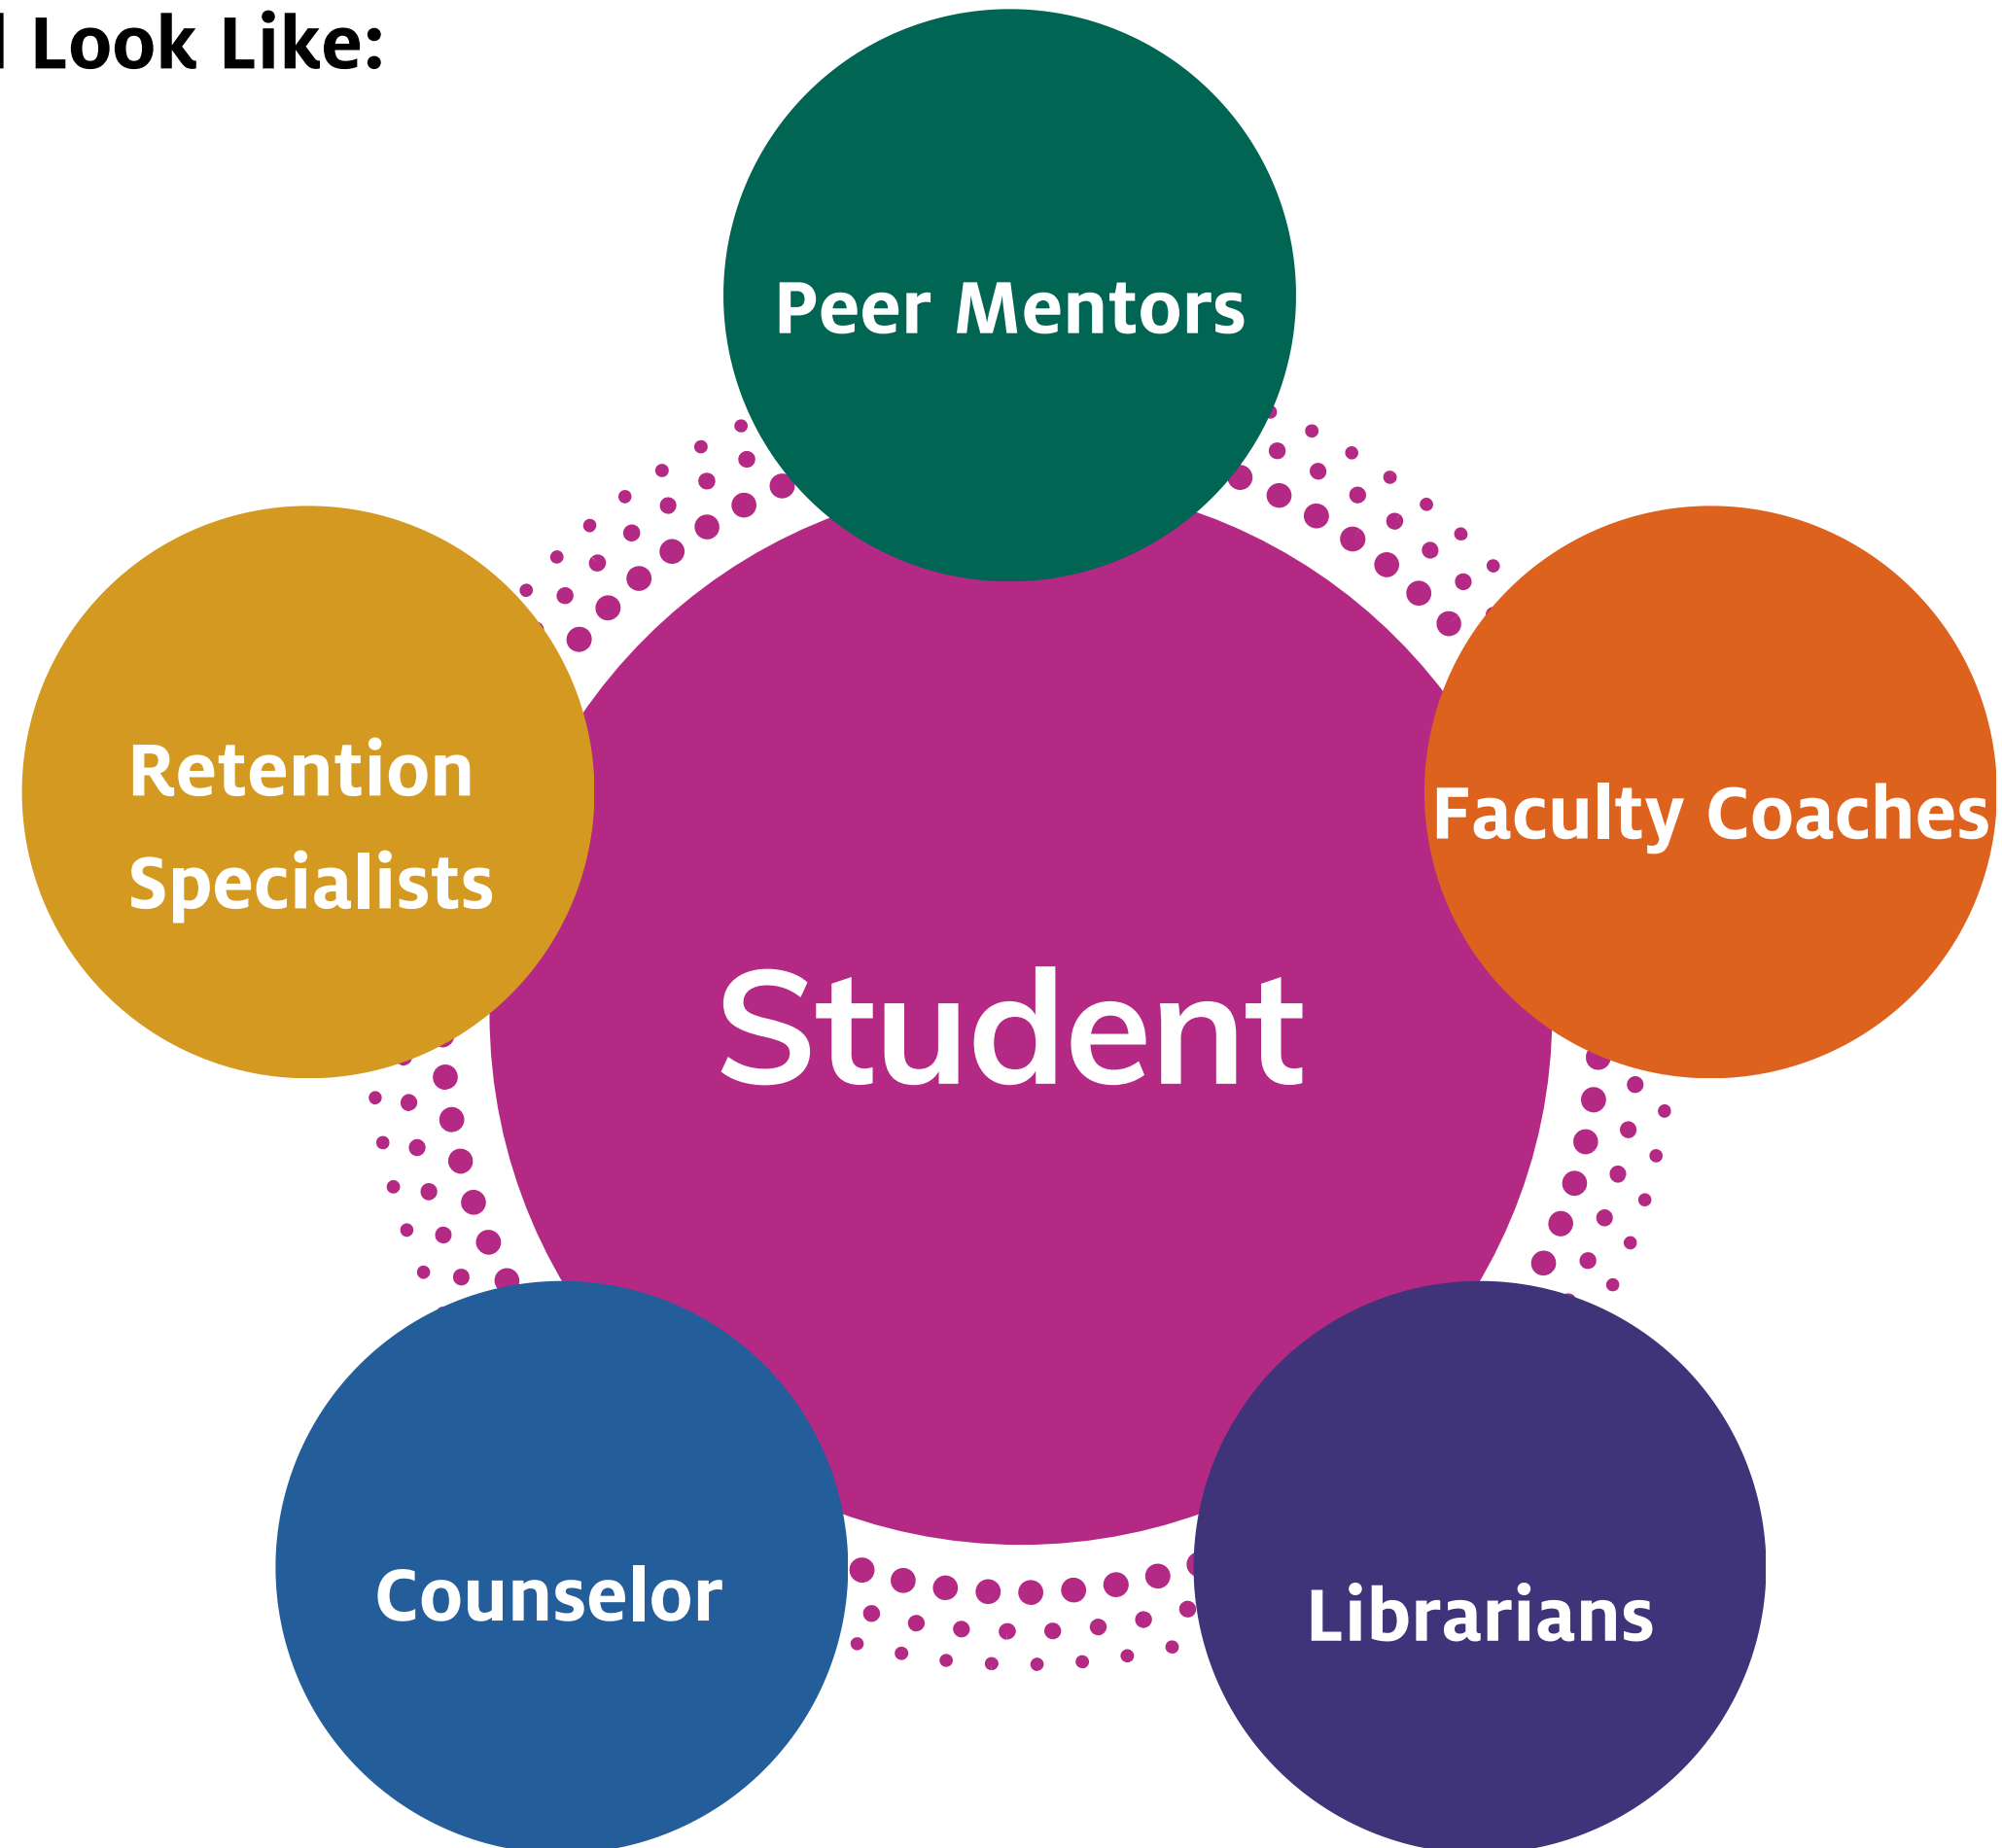

Explorers

Arts & Media

Language Arts & Social Sciences

Business & Public Service

ACC Support Could Look Like:

***Examples of support, not exhaustive list*

2023-2024 -- the TEAM

- Recruited faculty coaches
- Hired Academic & Career Communities Counselor, part of general counseling
- Re-engaged student advisors

2023-2024 -- the WORK

- Launched Faculty Coaches support for students
- Partnering with Career Services team to help Explorers choose a program of study
- Provided the Curriculum Committee with a proposal for revised Interdisciplinary Studies majors that match the ACCs (thank you to Yvette, Arielle, and Jeramy!)
- Partnering with the Enrollment Sustainability Work Group, specifically on integration across specific student milestones & focus areas
- Hosting/participating in campus events focused on career and academic exploration for students tailored to the ACCs

Science & Engineering

Lena Feinman, Math

Beth LaRochelle

Health & Wellness

Faculty Coaches

- drop-in hours for career/industry advice related to ACC
- Identifying transferable & job market skillsets including Problem Solving, Communication, Relationships

Business & Public Service

Phil Tran, Business

Language Arts & Social Sciences

Kristi Ridgway, ESL

Arts & Media

Alexa Thanos, Music

Language Arts & Social Sciences

Michele Titus, Anthro
