How does this event support the mission and purpose of CSM and the Associated Students?	The Fall 2026 Health Fair supports the mission and purpose of CSM and the Associated Students by promoting student well-being, engagement, and access to valuable health and wellness resources. The event provides students with an opportunity to connect with more than 40 exhibitors, learn about resources available to them, and access services such as free flu shots in a welcoming campus environment. By bringing together students, faculty, staff, and community partners, the Health Fair strengthens campus connections and supports students' health and wellness.

What do you want to students and the campus community to take away from this event?

We want students and the campus community to leave the Health Fair feeling informed, connected, and energized about their health and well-being. Our goal is for attendees to discover resources available to them both on and off campus, learn about ways to support their physical and mental wellness, and connect with organizations and members of the community who can support them.

Most importantly, we want attendees to have fun and enjoy the experience! Each Health Fair features a new and engaging theme designed to make the event memorable, encourage participation, and create a positive and welcoming experience for everyone.

Please explain how you will promote and market this event.

We will promote the Health Fair through a variety of campus and community outreach efforts in partnership with CSM Marketing. Promotion will include flyers and signage throughout campus, event listing on the academic calendar, digital announcements on campus screens, and outreach through classroom presentations.

We will also promote the event through social media to reach students and the broader campus community. Information will be shared with campus departments, student groups, and community partners to help spread the word and encourage participation.

Using multiple promotional channels will help us reach a wide audience and ensure students and the campus community are aware of the event, its activities, and the valuable health and wellness resources available to them.

Please upload a copy of a flyer promoting this event.
