SKIN SPA

Deluxe European Facial (60 minutes).....\$45

This relaxing facial includes double cleansing, exfoliation, a rejuvenating facial and hand massage, and a treatment mask. It concludes with a skin-targeting finish that provides serum, replenishing cream, eye care, and sun protection.

Serenity Skin Solutions (70 minutes).....\$55

This targeted treatment addresses concerns such as mature skin, dehydrated skin, dullness, fine lines, wrinkles, hyperpigmentation, oily skin, and acne breakouts. Treatment includes a thorough cleansing and, after analyzing the skin, may consist of a gentle chemical peel or enzyme, extractions, and non-invasive skin resurfacing modalities such as microdermabrasion, hydrodermabrasion, microcurrents, LightStim LED therapy, and high frequency electrical technology.

Pure Bliss Back Facial (60 minutes).....\$50

This back facial enjoys the same benefits as the Deluxe European Facial, except that hand massage and eye care are excluded. The back is prone to dryness, congestion and breakouts so cleansing, exfoliation, massage and a targeted nourishing skincare finish will leave your back smooth and hydrated.

On-the-Go Glow (30 minutes).....\$35

Renew, Transform & Enhance with the On-the-Go Glow treatment peels for targeted skin concerns. Each treatment includes a thorough cleansing, followed by a specific, potent peel designed to address issues such as anti-aging, wrinkles, skin brightening, and acne, and is completed with a beneficial serum, cream, and SPF.
