

ASCSM Black History Month Celebrations

In honor of Black History Month, ASCSM, Brothers Empowering Brothers, Sista2Sista, and the Umoja Learning Community hosted a series of engaging programs and discussions, culminating in a campus-wide celebration on Feb. 25 that fostered cultural pride and inclusivity.

Career Education Month

March showcased hands-on workshops, professional panels, and networking events hosted by SIED and Career Services. Students explored diverse pathways, gaining real-world insights and connections to support their academic and career aspirations.

Campus Budget Forum & Conversations

CSM's leadership team hosted a [budget forum](#) and launched a new [Campus Conversations Series](#) to advance transparent, effective communication on federal and local issues. Students and employees engaged in open dialogue, fostering shared understanding and community.

CSM Bulldogs Honored at State Capitol

CSM's football team was recognized in both the California Assembly and Senate Chambers for their 2024 state and national championship season. Assemblymember Diane Papan and Senator Josh Becker honored the team for their athletic excellence, academic achievements, and community service. With a championship victory and a team GPA of 3.43, the Bulldogs continue to lead on and off the field.

Community Connections

Elevating Future Science Leaders

CSM hosted 500 students from over 20 schools for the Bay Area Science Olympiad. Seventh- to twelfth-graders competed in 23 events spanning subjects such as robotics, forensics, and engineering design, fostering collaboration, critical thinking, and problem-solving. The top four middle school and high school teams qualified for April's state tournament at CSU East Bay, aiming for Nationals in Nebraska. CSM faculty and staff volunteered as proctors and judges, underscoring CSM's commitment to hands-on STEM education in the Bay Area.
