

Business Students Tour Adobe HQ

Guided by Business & Accounting faculty, members of the CSM Business Club toured Adobe's San Jose headquarters. The worksite visit gave students a firsthand look at life inside a Bay Area tech company and offered valuable networking opportunities with industry professionals.

Newly Tenured Faculty Celebration

CSM honored nine faculty members who achieved tenure, marking the culmination of a rigorous four-year evaluation process that included classroom observations, student feedback, and reviews of professional growth and contributions. [Read More](#)

Creativity Blooms at Library Makerspace

Throughout the semester, CSM's [Library Makerspace](#) hosted Floral Origami Workshops, where students and staff crafted intricate paper flowers using Makerspace tools. These hands-on sessions encouraged creativity & mindfulness.

President's Advocacy Council Dinner

On April 10, CSM hosted the President's Advocacy Council Dinner to raise money for the President's Innovation. Attendees celebrated CSM's learning communities and danced to Grammy Award-winning artist Tony Lindsay. The evening highlighted the power of philanthropy to advance student success and innovation across campus.

MOMENTUM RISING

Experience the creativity and talent of our students at *Momentum Rising*, CSM's Spring 2025 Dance Concert, on Saturday, May 10! This dynamic performance features original choreography by students and faculty, highlighting various movement styles and stories through dance. [Get tickets here.](#)

Community Connections

Coastside Townhall Draws Engagement

At the end of March, CSM hosted a well-attended Coastside Town Hall, bringing together community members, local leaders, and college representatives for an open listening session. The event provided a space to share perspectives on CSM's growing presence on the Coast, explore current programs and services, and offer input on the future of the College of San Mateo Coastside. The conversations reflected a shared commitment to building strong partnerships and meeting the educational needs of the Coastside community.
