SJSU Signing Day

CSM hosted a San José State University Signing Day to celebrate students who signed transfer commitments. The event recognized their achievements, connected them with their future campus, and marked the next step in their academic journeys.

Connect to College Open House

CSM welcomed more than 300 prospective students and families to its Connect to College Open House. Hosted by Outreach, the event highlighted academic programs, student services, and learning communities, helping attendees take the next steps toward enrollment for the upcoming summer and fall semesters.

Building a Culture of Assessment

CSM's Flex Day focused on building a culture of assessment, featuring cross-campus dialogue on using data, reflection, and intentional practices to improve student outcomes. A lunchtime performance by the Parangal Dance Company brought a powerful cultural element to the day and underscored the value of honoring community and tradition as part of our shared campus experience.

Congressional Visit Highlights Workforce Pathways

College of San Mateo welcomed US Congresswoman Valerie Foushee, Congressman Ted Lieu, and Congressman Josh Gottheimer for a campus tour and roundtable hosted by President Dr. Manuel Alejandro Pérez. Discussions focused on the College's leadership in STEM, Career and Technical Education, workforce development, and AI and Machine Learning certification, including local industry partnerships, high-demand career pathways, and credential programs. The visit highlighted the critical role community colleges play in advancing economic mobility, expanding equitable access, and strengthening regional competitiveness.
